

ALAN

V15

A Complete eCommerce Solution

The screenshot displays the homepage of the ALAN V15 eCommerce solution. At the top, there's a large banner with the word "ALAN" in a large serif font and "V15" in a bold sans-serif font. Below the banner, the text "A Complete eCommerce Solution" is centered. The main content area features a large image of a modern living room interior with a sofa, coffee table, and decorative items. Overlaid on this image is the text "Designed for your Comfort". Below the image, there's a navigation bar with links to Home, Shop, Products, Blog, and Contact us. A search bar and a sign-in button are also present. A call-to-action button labeled "Explore All Products" is located near the bottom left of the main image. Below the main image, there's a section titled "Shop By Category" featuring four product cards: a Bean Bag, a Coffee Table Set, a Glass Table, and a Kids Chair. Each card includes a small image, the product name, a star rating, and the price.

Overview

Theme Alan is one of the most powerful, amazing and flexible themes on Odoo store. Multipurpose Premium Responsive Odoo Themes - Fashion, Furniture, Sports, Jewellery, Corporate. Creative theme, Ecommerce theme, Entertainment theme, Personal theme, Services theme, Technology theme, Business theme, Multipurpose odoo theme, Multi-purpose theme, Theme Alan, Odoo new themes, Alan Theme, Bootstrap4 odoo themes, eCommerce Businesses, Odoo RTL Theme, Right to left theme. Let's start with core theme feature of theme alan.

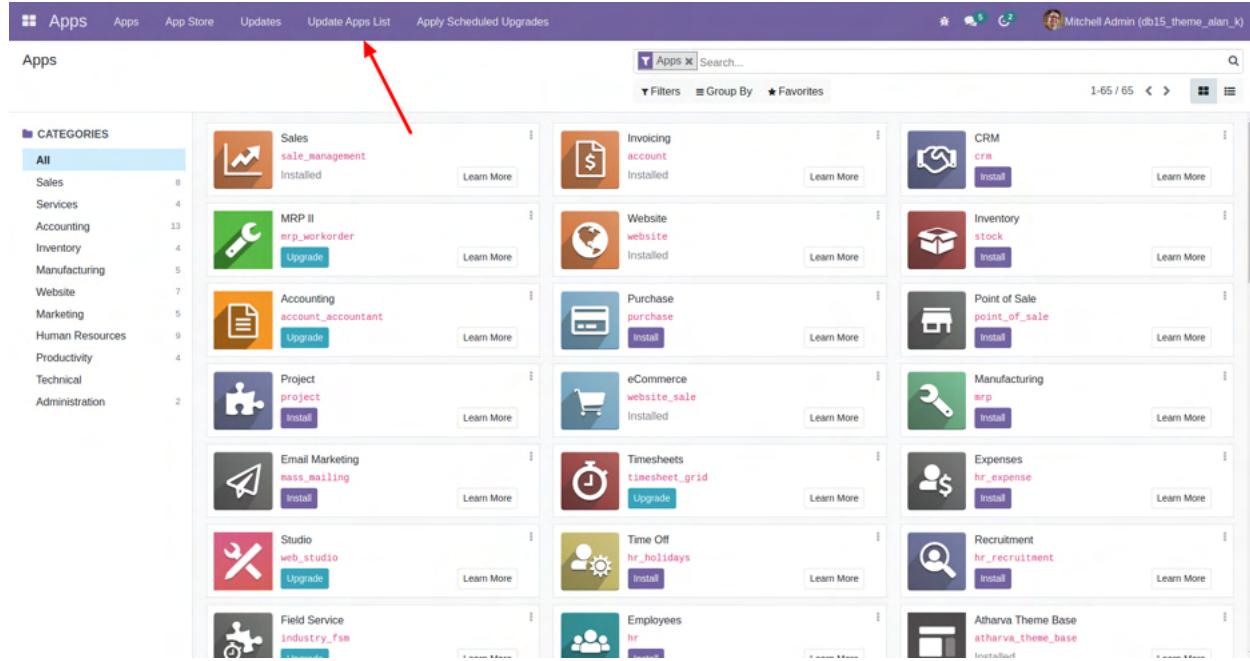

Installation

Download Theme Alan Modules and unzip both modules to your addons or custom addons folder and restart Odoo Service

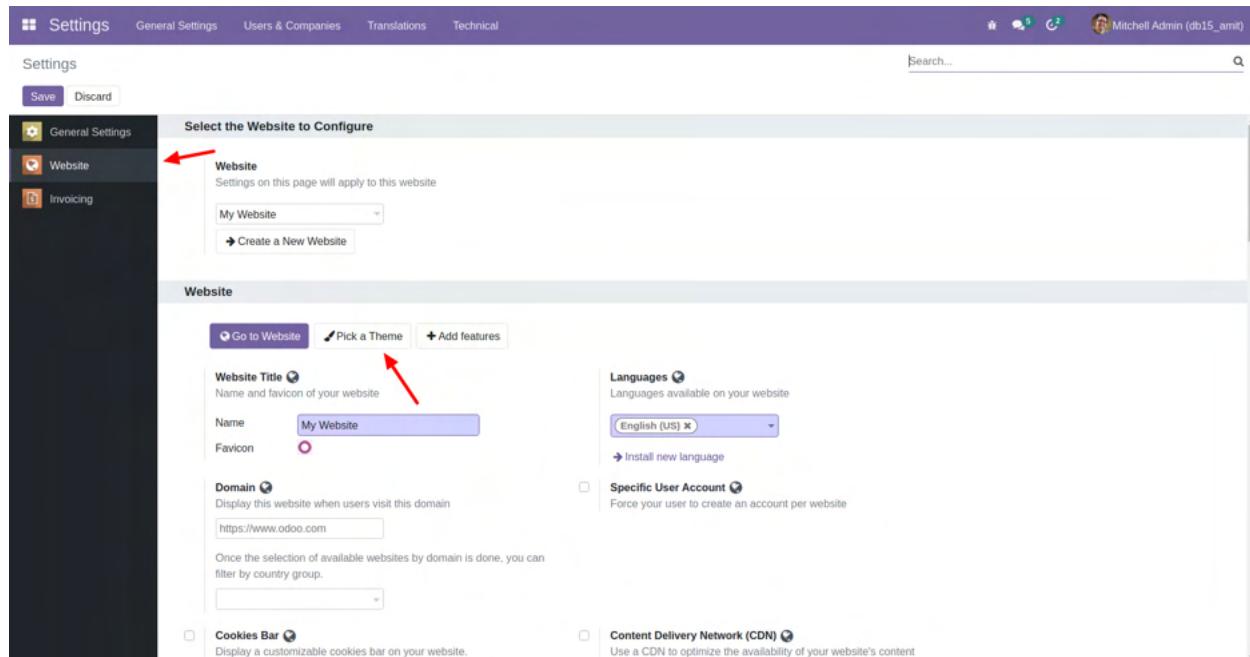

Now Activate Developer Mode:

Now go to Apps section and click on Update Apps List

Now go to the search bar and search 'Atharva Theme Base' and click on install. When module is install It will redirect you to website Configurator page and if not redirect then go to setting and click on 'Pick a Theme' after that click on 'Use This Theme' on Theme Alan

Alan Headers & Footers

In odoo we have different headers and footers options which we can use to set header and footer in our theme and Theme Alan provides you additional more amazing headers and footers options which you can use to create a more attractive website.

Theme alan provides you 10 amazing headers and Footers.

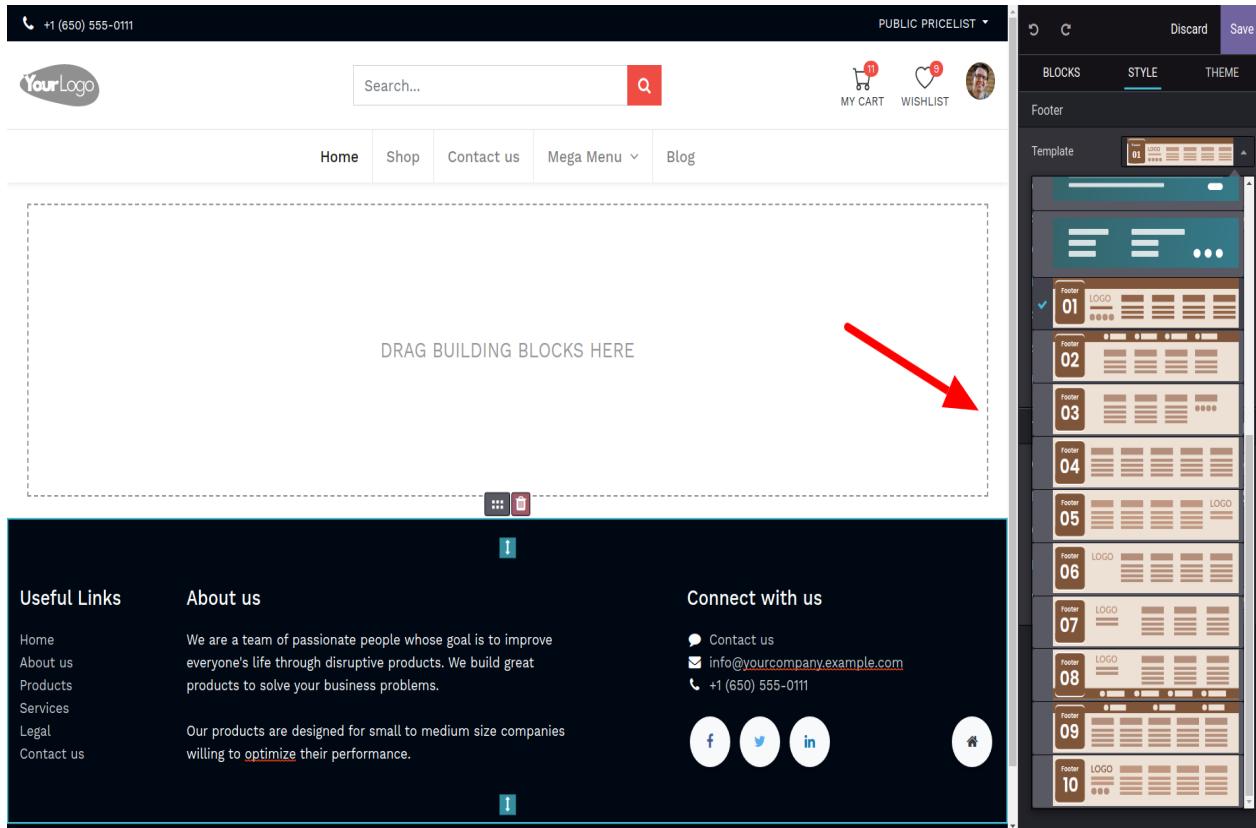

Let's see steps to changes header and footer

Step 1 : Click on the edit button given at top right side.

Step 2 : Click on header or footer (based on which you want to change)

Step 3 : Now click on the template option where you can see our custom header or footer options.

The screenshot shows the Odoo Alan theme configuration interface. On the left, there is a preview of a website header with a logo, search bar, and navigation menu. A large dashed box covers the main content area, with the text "DRAG BUILDING BLOCKS HERE" inside. On the right, a sidebar titled "Header" contains a "Template" section with a list of 10 header designs labeled "Header 01" through "Header 10". Each template item includes a preview, a "LOGO" section, and three dots for more options. A red arrow points from the "Header 01" template towards the dashed box area, indicating where to drag the building blocks. The top right of the interface has "Discard" and "Save" buttons.

Alan Shop Layout

Theme Alan provides you 5 shop page layouts by which you have 5 different styles for the shop page to display products and filters in a more amazing way and you can use it and change whenever you want.

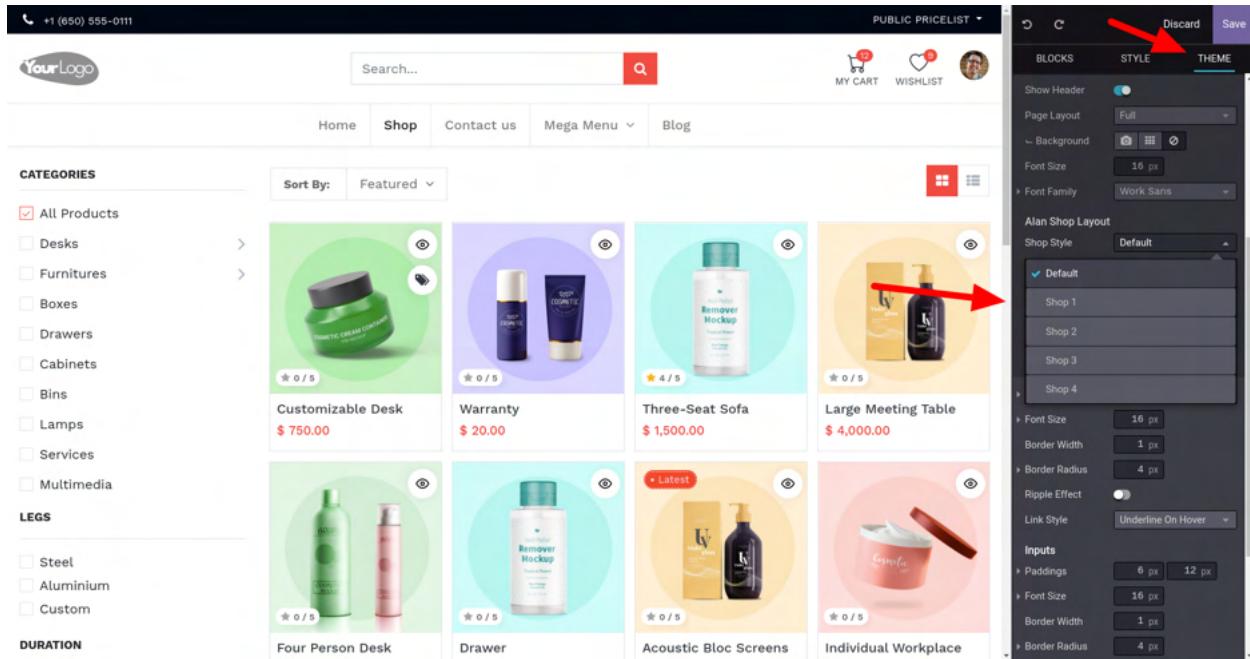

Let's see steps to changes shop page layout

Step 1 : Click on the edit button given at top right side and then click on Theme option.

Step 2 : Now scroll down to the Alan Shop Layout section and select the Shop Style.

Step 3 : Select the Shop Layout option to display the shop page in full size or box size.

Step 4 : Now check the shop page and you will find products and filters styles changes.

Progressive Web Application

Theme alan provides you this functionality by which your website works and functions like native mobile apps. It's super cool functionality.

Let's see steps to configure PWA for your website.

Step 1 : Go to the website and scroll down to the PWA section.

Step 2 : Click on PWA to activate and make sure if you are using a multi website and first you need to select a website then configure PWA website wise.

Step 3 : Fill the details and click on the Save button.

Step 4 : Now go to the website and check the address bar where you can see the PWA install icon then click on Install and see the magic.

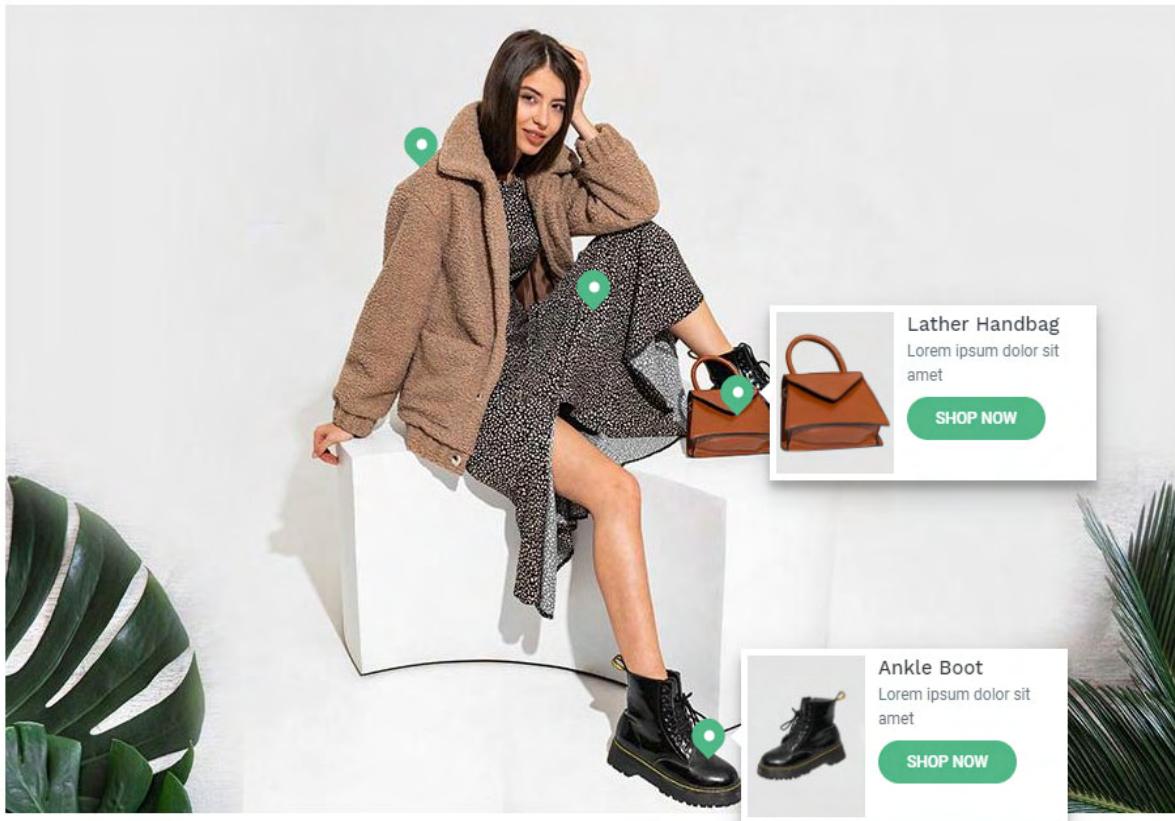

The screenshot shows the 'Settings' section of the Atharva System. On the left, there's a sidebar with 'General Settings', 'Website', and 'Invoicing'. A red arrow points to the 'General Settings' icon. The main area is titled 'Atharva Progressive Web Application' and contains a checkbox for 'PWA' which is checked. Below it, there are fields for 'Name' (Theme Alan), 'Short name' (Theme Alan), 'Background Color' (red), 'Theme Color' (black), 'Description' (This is Theme Alan), and an 'Icon' field containing a large black circle with a white letter 'A'. At the top right of this section, there are 'Save', 'Discard', and 'Unsaved changes' buttons.

The screenshot shows a web browser window at 'localhost:8095'. The address bar says 'localhost:8095'. The top navigation bar has 'WEBSITE', 'Pages', 'Customize', and 'Promote'. Below that is a header with 'YourLogo', 'Home', 'Shop', 'Blog', 'Contact us', and a shopping cart icon. A red arrow points to a modal dialog titled 'Install app?'. The dialog shows an icon with a white 'A', the text 'Theme Alan localhost:8095', and two buttons: 'Cancel' and 'Install'.

The screenshot shows the Atharva System homepage. The top navigation bar includes 'WEBSITE', 'Pages', 'Customize', 'Promote', 'YourLogo', 'Home', 'Shop', 'Blog', 'Contact us', and a shopping cart icon. The main content area says 'Welcome to your Homepage!' and 'Click on Edit in the top right corner to start designing.' The footer is dark blue with white text. It has three columns: 'Useful Links' (Home, About us, Products, Services, Legal, Contact us), 'About us' (text about improving lives through products), and 'Connect with us' (links to Contact us, email, phone, and social media icons for Facebook, Twitter, LinkedIn, and YouTube).

Image Hotspot

Theme Alan provides you Image hotspot functionality by which you can add hotspot on snippet images like given below.

Let's see steps to configure Image hotspot on images.

Step 1 : Drag and drop any image snippet and change image whatever you like.

Step 2 : Now click on image then check on edit section you will find 'Add hotspot' option.

Step 3 : When you click on that button, the Hotspot icon is automatically added to the image and you can add a number of hotspot icons on the image with different styles.

Step 4 : Click on hotspot icon and check in edit section you will find on block section where you can configure hotspot actions.

The screenshot shows a website builder's desktop editor. On the left, there's a navigation bar with 'YourLogo' and links for 'Home', 'Shop', 'Blog', and 'Contact us'. The main content area features a large image of a desk setup with a laptop, a yellow mug, and a potted plant. To the right is a sidebar with various settings for the image block, including 'BLOCKS', 'STYLE', and 'THEME' tabs. Under 'Image', there are options for 'Background', 'Border', 'Round Corners', 'Shadow', 'Animate', and 'Quality'. A red box highlights the 'Add Hotspot' button under the 'Quality' section.

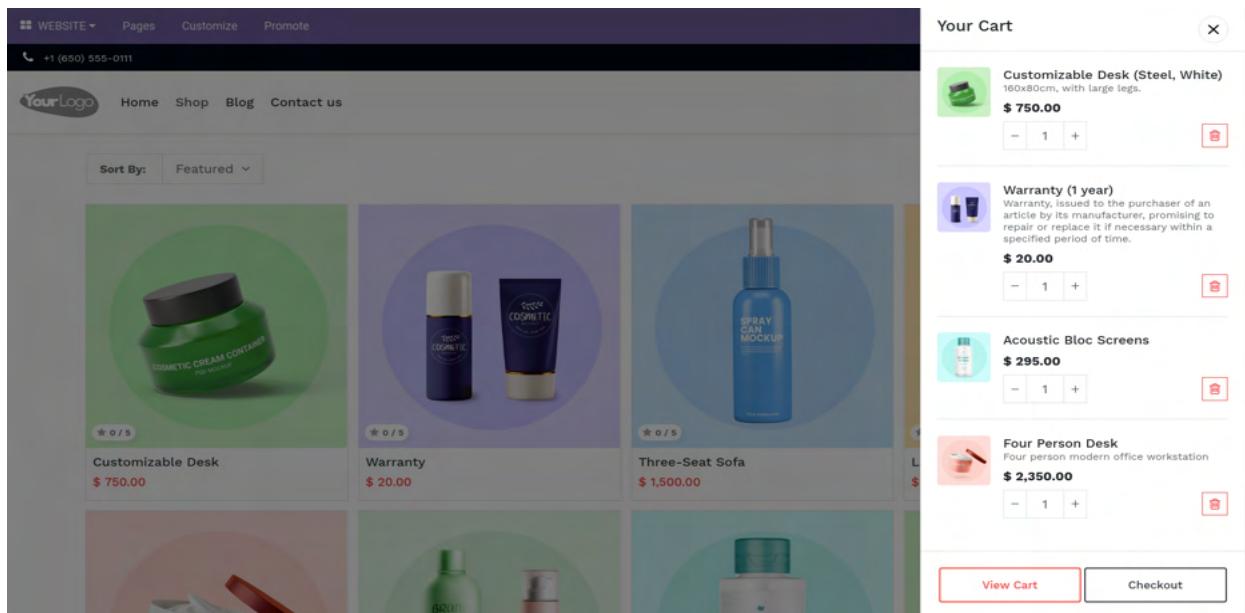

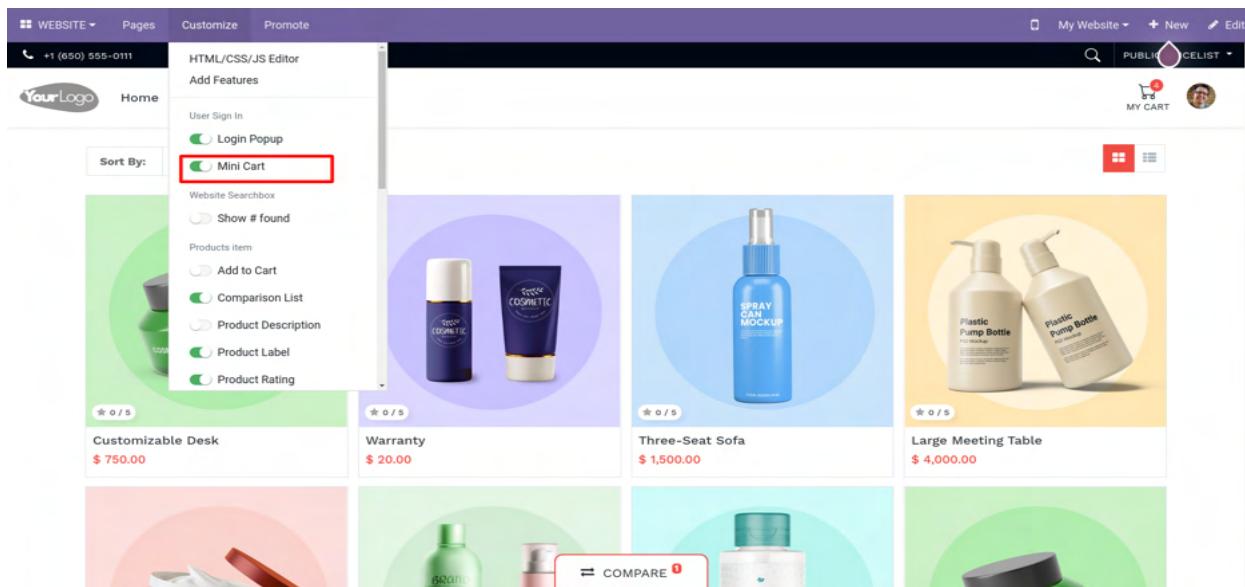

This screenshot shows a website builder's desktop editor with a dark theme. The main content area displays a navigation menu with 'ALAN' at the top, followed by sections for 'Information', 'Quick links', 'Categories', and 'My Account'. A red arrow points from the previous screenshot's 'Add Hotspot' button to this screenshot's 'My Account' section. To the right is a sidebar with 'BLOCKS', 'STYLE', and 'THEME' tabs. Under 'My Account', there are several sub-links like 'Privacy policy', 'Refund policy', etc. A red box highlights the 'Add Hotspot' button in the 'STYLE' sidebar.

The screenshot shows a website builder's desktop editor. The main content area features a central image of a desk setup. A red box highlights a location pin icon on the image. To the right is a sidebar with 'BLOCKS', 'STYLE', and 'THEME' tabs. Under 'Block', there are settings for 'Type', 'Theme', 'Style', 'Main Title', 'Short Description', 'Button Text', 'Redirect Url', 'Image', 'Left-Right', and 'Top-Bottom'. A red box highlights the 'Block' tab.

This screenshot shows a website builder's desktop editor with a dark theme. The main content area displays a navigation menu with 'ALAN' at the top, followed by sections for 'Information', 'Quick links', 'Categories', and 'My Account'. To the right is a sidebar with 'BLOCKS', 'STYLE', and 'THEME' tabs. Under 'Block', there are settings for 'Type', 'Theme', 'Style', 'Main Title', 'Short Description', 'Button Text', 'Redirect Url', 'Image', 'Left-Right', and 'Top-Bottom'. A red box highlights the 'Block' tab. The sidebar also includes an 'Inline Text' section with various text and link editing tools.

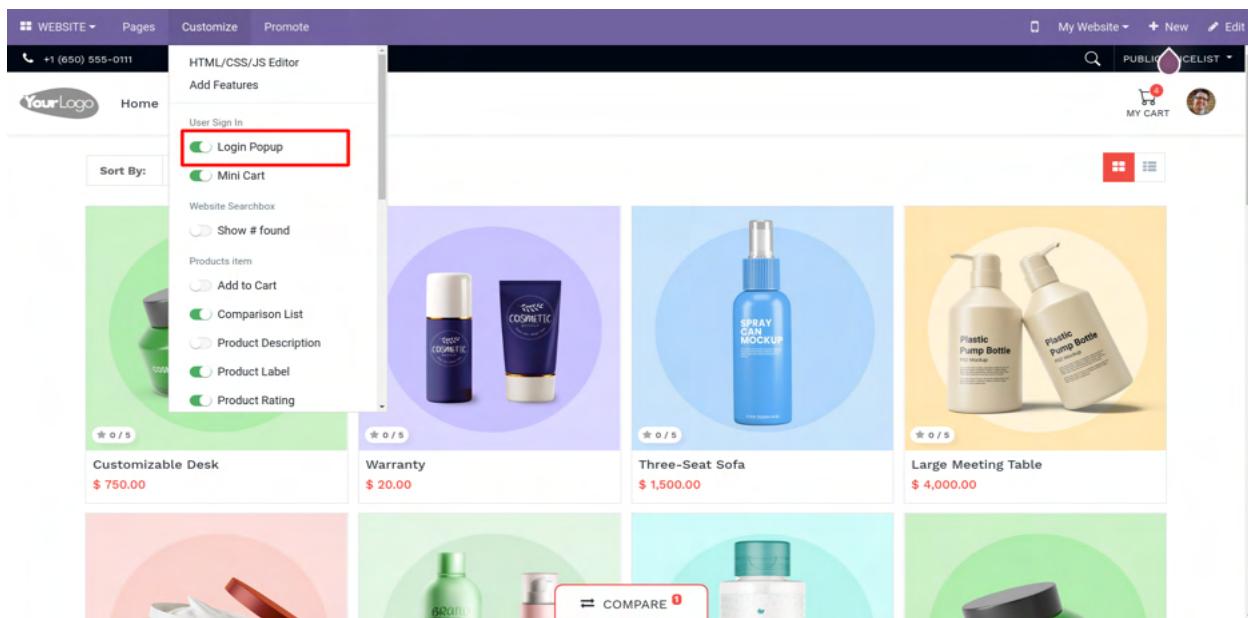

Mini Cart

Theme Alan provides you mini cart functionality by which you can quickly check cart details without redirecting to the cart page. It's by default active and we provide a switch by which you can turn off and on as per requirement.

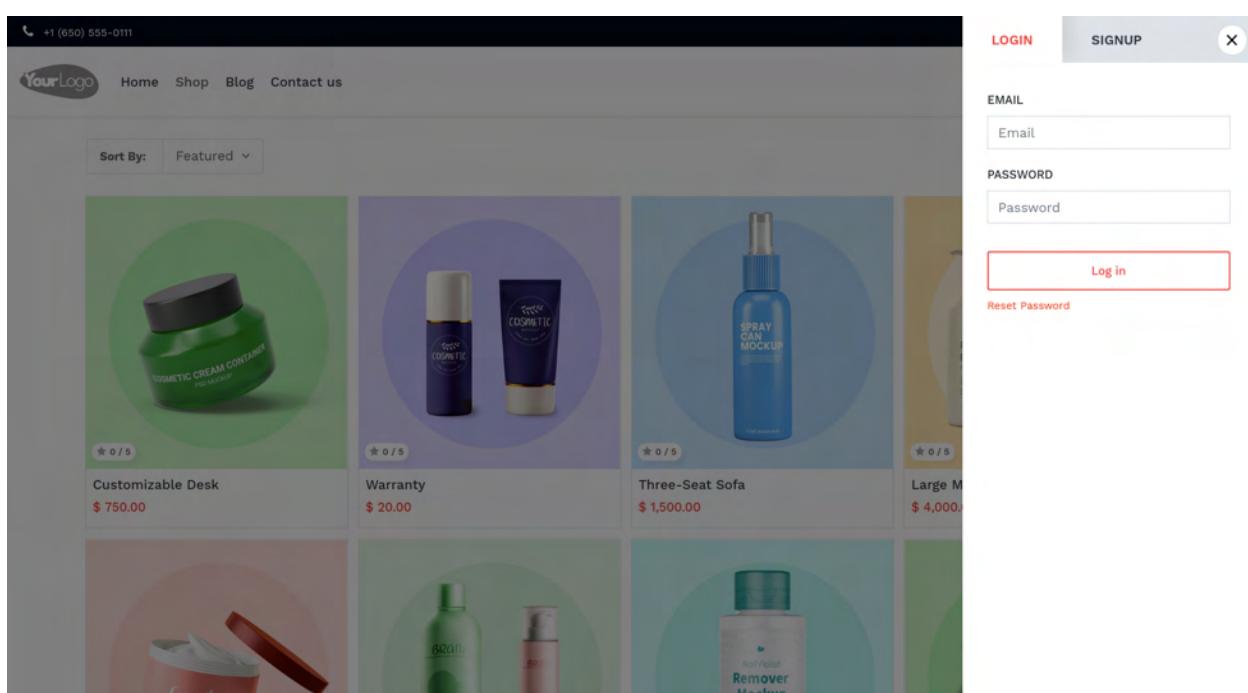

Quick Login

Theme Alan provides you Quick login functionality by which users can quickly login or signup without redirecting to the login or signup page. It's by default inactive and we provide a switch by which you can turn off and on as per requirement.

The screenshot shows the Theme Alan dashboard interface. On the left, there's a sidebar with various settings like 'WEBSITE', 'Pages', 'Customize', and 'Promote'. A red box highlights the 'Login Popup' option under the 'User Sign In' section. The main area displays a grid of product mockups: 'Customizable Desk', 'Warranty', 'Three-Seat Sofa', 'Large Meeting Table', and others. At the bottom right of the grid, there's a 'COMPARE' button with a red notification badge. On the far right, there's a sidebar for 'PUBLIC CATALOG' with 'MY CART' and a user profile icon.

The screenshot shows the website front-end. A modal dialog box is overlaid on the product grid, containing 'LOGIN' and 'SIGNUP' buttons. To the right of the dialog, there are fields for 'EMAIL' (with 'Email' placeholder) and 'PASSWORD' (with 'Password' placeholder). Below these fields is a 'Log in' button with a red border. At the bottom of the dialog, there's a 'Reset Password' link.

Megamenu

Theme Alan comes with 4 types of additional megamenu in which you can directly set product and category in list and grid style.

The benefit of this type of megamenu is you don't need to set everything manually, it will be done automatically by a few clicks.

Let's see steps to configure alan megamenu

Step 1 : Go to the page option given at top and click on edit menu.

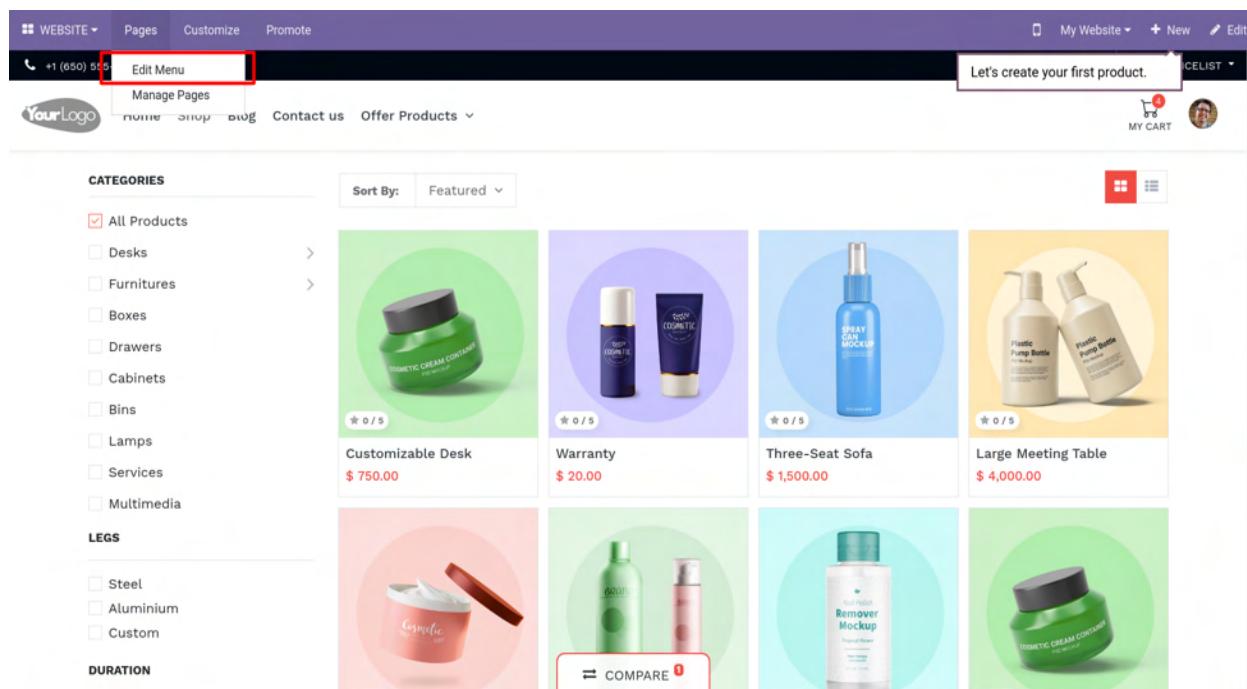

Step 2 : Click on add mega menu item.

Step 3 : Now click on edit then click on that mega menu that you just created.

Step 4 : When you click on that menu then below this sub menu template open you need to select that menu by clicking on this.

Step 5 : When you click on that template then in edit section new section is come named megamenu where we add our mega menu template you need to select any one of this template

Step 6 : When you select our mega menu template then you will find one configuration option where you need to configure data like design, columns. After completing the configuration, The Mega menu is automatically created.

Quick Add To Cart

Theme Alan provides you Quick Add To Cart functionality by which users can quickly add the product in cart without redirecting to the product detail page. It's by default inactive and we provide a switch by which you can turn off and on as per requirement

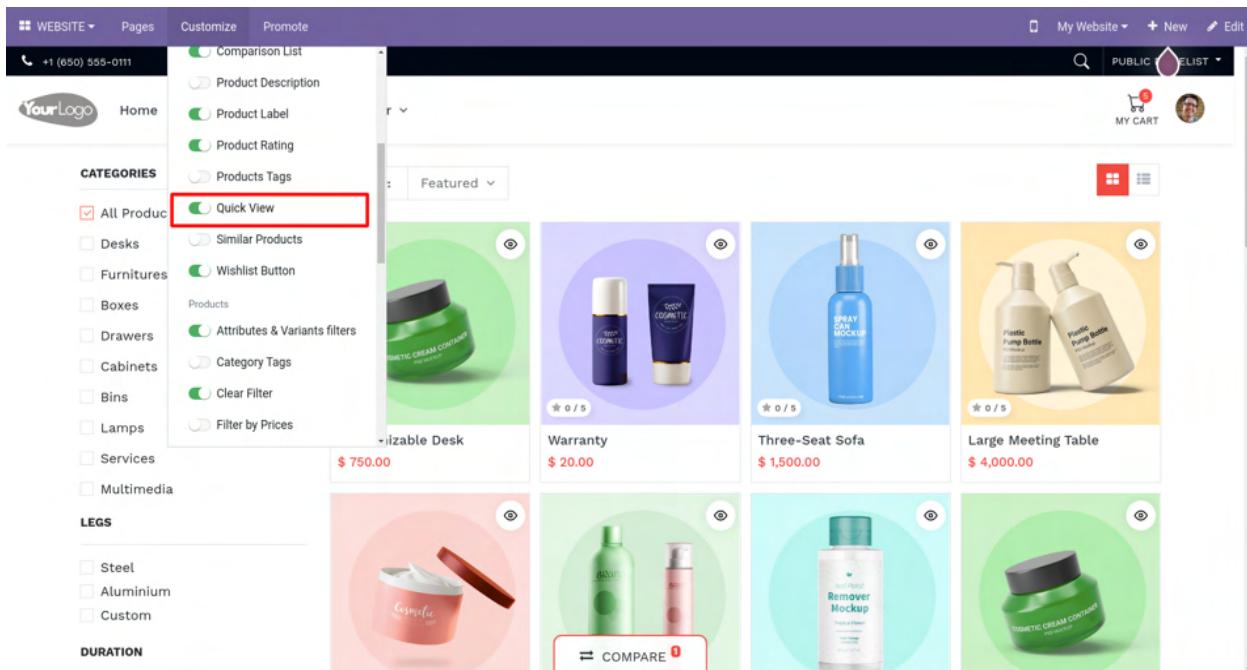

The screenshot shows the Theme Alan dashboard interface. On the left, there's a sidebar with various filters and categories like 'CATEGORIES', 'LEGS', and 'DURATION'. In the center, there's a grid of products. A red box highlights the 'Quick Add To Cart' button located in the sidebar under the 'Add to Cart' section. Another red box highlights the 'COMPARE' button on one of the product cards.

This screenshot shows a product detail page for a 'Customizable Desk'. The page includes a large image of the product, a brief description, price (\$750.00), and configuration options for 'LEGS' (Steel, Aluminium, Custom) and 'COLOR' (Red, Black). A red box highlights the 'ADD TO CART' button at the bottom of the page. The background shows a blurred version of the same dashboard interface from the previous screenshot.

Quick View

Theme Alan provides you Quick View functionality by which users can quickly view products without redirecting to the product detail page. It's by default active and we provide a switch by which you can turn off and on as per requirement.

The screenshot shows a website interface with a purple header bar containing 'WEBSITE', 'Pages', 'Customize', 'Promote', 'My Website', 'New', 'Edit', a search bar, and a 'PUBLIC PRICELIST' button. Below the header is a black navigation bar with a phone icon, '+1 (650) 555-0111', and user icons for 'MY CART' and a profile picture.

The main content area features a sidebar on the left with 'CATEGORIES' (All Products checked, Desks, Furnitures, Boxes, Drawers, Cabinets, Bins, Lamps, Services, Multimedia), 'LEGS' (Steel checked, Aluminium, Custom), and 'DURATION'. The main area displays a grid of four products:

- Customizable Desk**: \$750.00
- Warranty**: \$20.00
- Three-Seat Sofa**: \$1,500.00
- Large Meeting Table**: \$4,000.00

A red arrow points to the 'Sort By' dropdown menu in the top right corner of the grid area.

The screenshot shows a product detail page for a 'Customizable Desk'. The main image is a green cosmetic cream container labeled 'COSMETIC CREAM CONTAINER PSD MOCKUP'. To the right, detailed product information is displayed:

Customizable Desk
160x80cm, with large legs.
\$ 750.00

LEGS
 Steel
 Aluminium
 Custom
 + \$50.40

COLOR
 White
 Black

Quantity: 1 **ADD TO CART**

The sidebar on the left remains the same as the previous screenshot, showing the same categories, legs, and duration filters.

Product Tags

Theme Alan provides you tags functionality by which you can assign multiple tags to same or different products. You can see that tag in the shop page as well as the product detail page by switching on or off products tags in customize options.

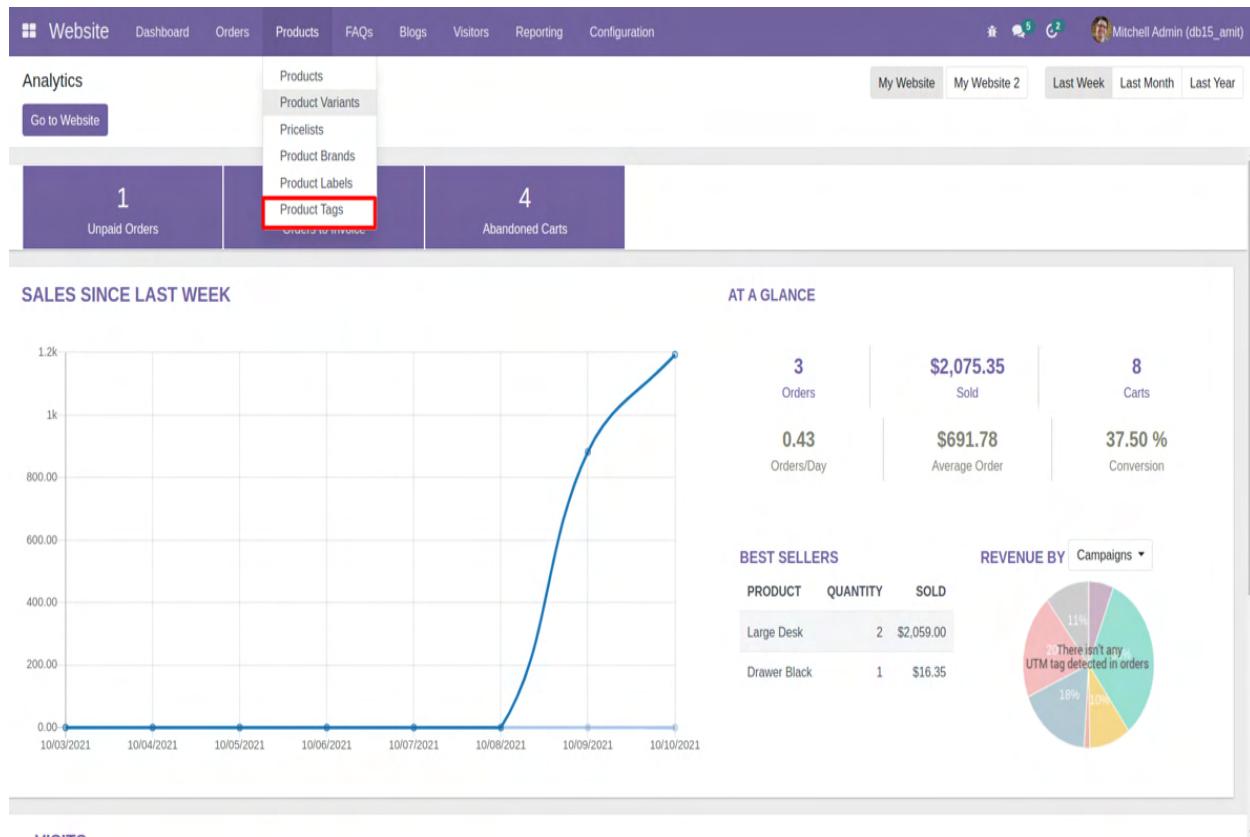

Let's see steps to configure product tags

Step 1 : Go to admin in the website section.

Step 2 : Click on the Product tags from Product Menu given at the top bar.

Step 3 : Now create a tag and assign a product to that tag.

Step 4 : Go to the shop page and switch on product tags from customize option and you can do the same in product detail page

The screenshot shows the Theme Alan Admin Dashboard. At the top, there is a navigation bar with links: Website, Dashboard, Orders, Products, FAQs, Blogs, Visitors, Reporting, and Configuration. The 'Products' link is currently active, indicated by a blue background. Below the navigation bar, there is a sidebar titled 'Analytics' with a 'Go to Website' button. The main content area has four purple boxes labeled 1 (Unpaid Orders), 2 (Product Tags - highlighted with a red border), 3 (Abandoned Carts), and 4 (Sales since last week). To the right of these boxes is a 'SALES SINCE LAST WEEK' chart showing a sharp increase in sales starting around October 8th. Below the chart is a 'AT A GLANCE' section with metrics: 3 Orders, \$2,075.35 Sold, 8 Carts, 0.43 Orders/Day, \$691.78 Average Order, and 37.50 % Conversion. Further down are sections for 'BEST SELLERS' (listing Large Desk and Drawer Black) and 'REVENUE BY CAMPAIGNS' (a pie chart with three segments: 11% (red), 18% (teal), and 30% (yellow)).

The screenshot shows the 'Product Tags / Latest' page in the Odoo interface. At the top, there are buttons for 'Edit' and 'Create'. Below that is a toolbar with icons for Action, Back, and Forward, and a status bar showing '1 / 2'. The main area displays a table with one row for the product 'Latest'. The 'Name' column contains 'Latest', and the 'Active' column has a checked checkbox. The 'Products' column lists numerous tags, many of which are highlighted in blue, such as 'Acoustic Bloc Scre...', 'Cabinet with Doors', 'Conference Chair', 'Corner Desk Left Sit', 'Corner Desk Right Sit', 'Customizable Desk', 'Deposit', 'Desk Combination', 'Desk Stand with S...', 'Drawer', 'Drawer Black', 'Flipover', 'Four Person Desk', 'Hotel Accommodation', 'Individual Workplace', 'Large Cabinet', 'Large Desk', 'Large Meeting Table', 'Office Chair', 'Office Chair Black', 'Office Design Soft...', 'Office Lamp', 'Pedal Bin', 'Restaurant Expenses', 'Storage Box', 'Three-Seat Sofa', 'Virtual Home Staging', 'Virtual Interior Design', and 'Warranty'.

The screenshot shows a website builder interface with a sidebar on the left and a product listing on the right. The sidebar includes sections for 'WEBSITE', 'Pages', 'Customize', and 'Promote'. It also features a logo placeholder 'YourLogo', a 'Home' button, and several filter options: 'Add to Cart', 'Comparison List', 'Product Description', 'Product Label', 'Product Rating', and 'Products Tags' (which is highlighted with a red box). Other sidebar options include 'Quick View', 'Similar Products', 'Wishlist Button', 'Attributes & Variants filters', 'Category Tags', and 'Clear Filter'. The main area displays a grid of products. Each product card includes an image, a title, a rating (0/5), and a price. A 'Featured' dropdown menu is visible above the cards. The products shown are: 'Cosmetic Cream Container' (green), 'Cosmetic Cosmetic' (purple), 'Spray Can Mockup' (blue), 'Plastic Pump Bottle' (yellow), 'Cosmetic Cosmetic' (pink), 'Cosmetic Cosmetic' (light green), 'Cosmetic Cosmetic' (cyan), and 'Cosmetic Cosmetic' (light pink).

This screenshot shows a website builder's preview page. At the top, there's a navigation bar with 'WEBSITE ▾', 'Pages', 'Customize', 'Promote', 'My Website ▾', '+ New', and 'Edit' buttons. Below the navigation is a search bar and a 'PUBLIC GUESTLIST' button. The main content area features a sidebar with 'Your Logo' and links to 'Home', 'Shop', 'Blog', 'Contact us', and 'Offer ▾'. On the right, there's a 'MY CART' icon with a red notification badge showing '5'.

Alan Buttons

Theme Alan comes with 12 types of different amazing stylist buttons that you can use globally on the website.

Let's see steps to configure alan buttons

Step 1 : Click on edit button and select theme section.

Step 2 : Scroll down to the Button section where you will find our Alan button, You just need to select any of this button and check button style.

The screenshot shows a website editor interface. On the left, there's a sidebar with categories like 'CATEGORIES', 'LEGS', and 'DURATION', each with a list of options. The main area shows a grid of products with their names and prices. On the right, there's a sidebar titled 'THEME' with various settings. The 'Buttons' section is open, showing 'Primary Style' and 'Secondary Style' dropdowns, both set to 'Fill'. The 'Alan Button' dropdown is highlighted with a red box. Other settings include 'Font Family' (Work Sans), 'Shop Layout' (Default), and 'Shop Style' (Box). The 'Inputs' section also has dropdowns for 'Font Size', 'Border Width', and 'Border Radius'.

Product Brand & Brand Page

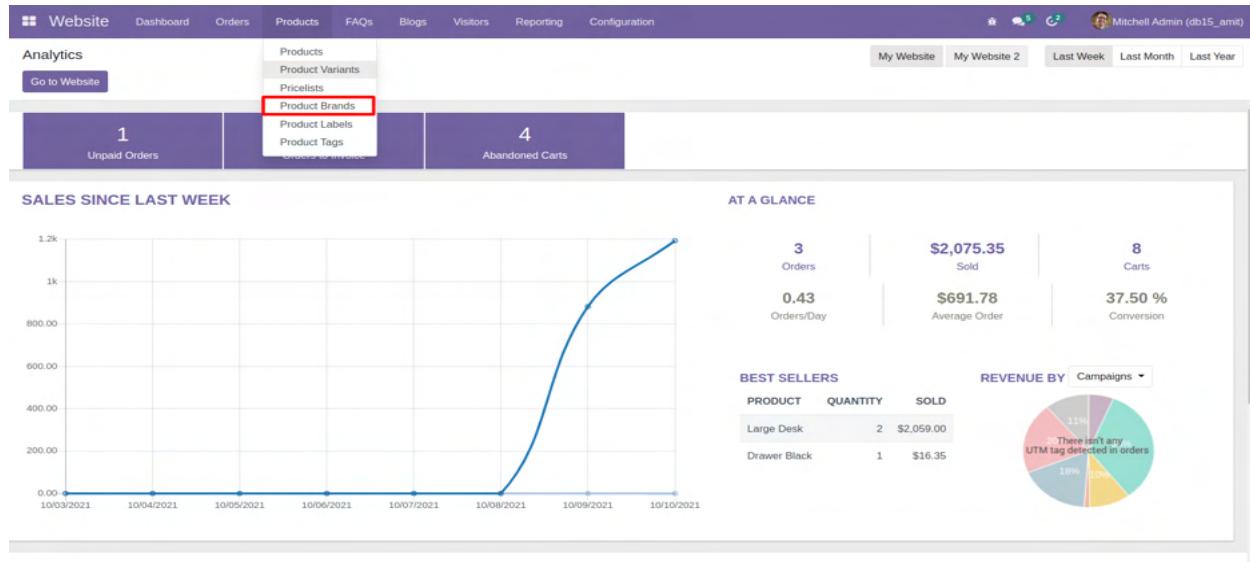

Theme Alan comes with Brand functionality by which you can create brands and you can assign that brand to any product. Product brand information is only visible on product detail page and brand comes in filter to get accurate brand product. And you can access all brands at the url '/shop/brands'.

Let's see steps to configure brands

Step 1 : Go to admin in the website section.

Step 2 : Click on the Product Brand from the Product Menu given at the top bar.

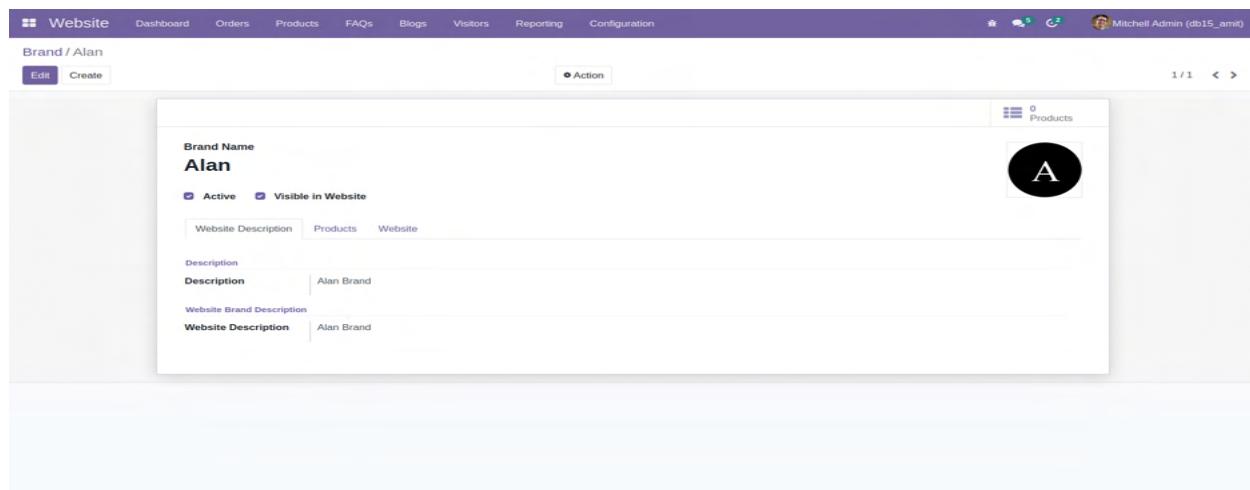

Step 3 : Now create a brand and assign a product to that brand from product form view.

The screenshot shows the Odoo Admin Dashboard with the following sections:

- SALES SINCE LAST WEEK:** A line chart showing sales volume increasing from 0.00 on 10/03/2021 to approximately 1.2k on 10/10/2021.
- AT A GLANCE:** Key performance indicators:
 - 3 Orders
 - \$2,075.35 Sold
 - 8 Carts
 - 0.43 Orders/Day
 - \$691.78 Average Order
 - 37.50 % Conversion
- BEST SELLERS:** A table showing products sold:

PRODUCT	QUANTITY	SOLD
Large Desk	2	\$2,059.00
Drawer Black	1	\$16.35
- REVENUE BY CAMPAIGNS:** A pie chart showing revenue distribution across campaigns. The chart indicates "There isn't any UTM tag detected in orders".

The screenshot shows the 'Brand / Alan' creation form in Odoo Admin:

- Brand Name:** Alan
- Status:** Active
- Visible in Website:** Checked
- Website Description:** Products
- Description:** Alan Brand
- Website Brand Description:** Alan Brand
- Website Description:** Alan Brand
- Products:** 0
- Image:** A placeholder image with a large letter 'A'.

The screenshot shows the Odoo product management interface. At the top, there's a navigation bar with links for Website, Dashboard, Orders, Products, FAQs, Blogs, Visitors, Reporting, and Configuration. On the right, it shows a user profile for 'Mitchell Admin (db15_anit)' with a notification count of 5 and 2 pending actions.

The main area displays a product card for a "Customizable Desk". The product name is "Customizable Desk" and the variant name is "Alan". A red box highlights the variant name "Alan" with an arrow pointing to it from the left. The product has a green thumbnail image of a cosmetic cream container.

The product card includes the following details:

- Product Name:** Customizable Desk
- Variant Name:** Alan
- Extra Price:** 1
- Go to Website:**
- Variants:** 6
- Units Sold:** 6.00

Below the product name, there are two checkboxes: "Can be Sold" and "Can be Purchased".

The product card has tabs for General Information, Attributes & Variants, Sales, Product Tabs, Purchase, Labels, and Product Tags. Under General Information, the following details are shown:

Product Type:	Consumable	Sales Price:	\$ 750.00
Invoicing Policy:	Delivered quantities	Customer Taxes:	
<i>Consumables are physical products for which you don't manage the inventory level: they are always available. Invoice after delivery, based on quantities delivered, not ordered.</i>		Product Category:	All / Saleable / Office Furniture

At the bottom of the card, there are buttons for "Send message", "Log note", and "Schedule activity". There are also social sharing icons for LinkedIn, Facebook, Twitter, and Email, along with a "Follow" button and a notification count of 1.

The screenshot shows a product page for a cosmetic cream container. At the top, there's a navigation bar with links for Home, Shop, Blog, Contact us, and Offer. On the right, it shows a user profile for 'MY CART' with a notification count of 1.

The main content area features a large image of the cosmetic cream container, which is green with a silver cap and labeled "COSMETIC CREAM CONTAINER PSD MOCKUP".

The product details on the right are as follows:

- Product Name:** Customizable Desk
- Description:** 160x80cm, with large legs.
- Price:** \$ 750.00
- Legs:**
 - Steel
 - Aluminium + \$ 50.40
 - Custom
- Color:**
 - Red
 - Black

Below the product details, there's an "ADD TO CART" button and a "Latest" and "Discount" link. A red box highlights a "Alan" brand badge with the letter "A" inside a circle.

At the bottom, there are terms and conditions: "30-day money-back guarantee" and "Shipping: 2-3 Business Days". There are also social sharing icons for Facebook, Twitter, Pinterest, and Email.

Product Labels

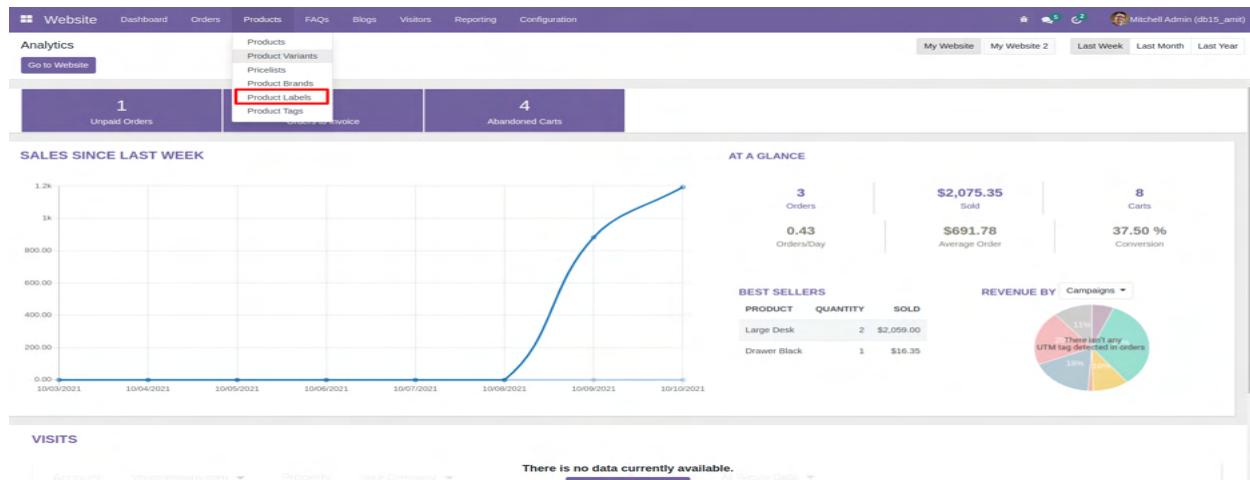

Theme Alan provides you label functionality by which you can assign labels to the different products. You can see the labels in the shop page as well as the product detail page by switching on or off products labels in customize options.

Let's see steps to configure product labels

Step 1 : Go to admin in the website section.

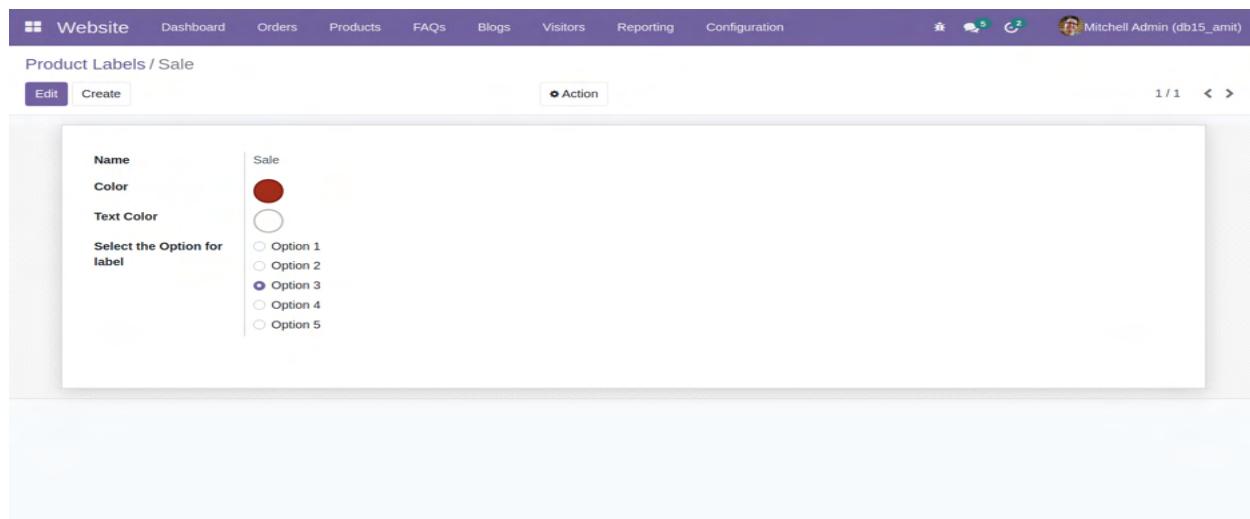

Step 2 : Click on the Product labels from Product Menu given at the top bar.

Step 3 : Now create a label and assign a product to that label from product form view.

The screenshot shows the Admin Dashboard with the following sections:

- Top Navigation:** Website, Dashboard, Orders, Products, FAQs, Blogs, Visitors, Reporting, Configuration.
- Left Sidebar:** Analytics (Go to Website), Unpaid Orders (1), Product Variants, Prices, Product Brands, **Product Labels** (highlighted with a red box), Product Tags.
- Middle Section:**
 - SALES SINCE LAST WEEK:** A line chart showing sales volume increasing from 0 to approximately 1,200 units over the week.
 - AT A GLANCE:** Summary statistics: 3 Orders, 0.43 Orders/Day, \$2,075.35 Sold, \$691.78 Average Order, 8 Carts, 37.50 % Conversion.
 - BEST SELLERS:** Large Desk (2 units, \$2,059.00), Drawer Black (1 unit, \$16.35).
 - REVENUE BY CAMPAIGNS:** A pie chart showing revenue distribution across campaigns.
- VISITS:** A section showing account and property details, with a note: "There is no data currently available." A "Connect Google Analytics" button is present.

The screenshot shows the "Product Labels / Sale" configuration screen with the following details:

- Top Navigation:** Website, Dashboard, Orders, Products, FAQs, Blogs, Visitors, Reporting, Configuration.
- Left Sidebar:** Product Labels / Sale, Edit, Create, Action.
- Form Fields:**

Alan Product Filter

Theme Alan comes with additional filters like rating filter, brand filter and tag filter by which customers can select their desired product more accurately. All the custom filters have switches so you can activate or inactive filters as per your requirement.

Hide No Product Attributes

Theme Alan provides you hide no product attribute which helps to hide the attribute that does not contain any product. You can activate this feature from customized options.

The screenshot shows the Theme Alan dashboard interface. On the left, there's a sidebar with various filters: **TAGS** (Latest, Dis), **Brand** (Alan), and **RATING** (★★★★ & Up, ★★★★ & Up, ★★★☆ & Up, ★☆☆☆ & Up). In the center, there's a search bar and a 'PUBLIC GUESTLIST' button. Below the search bar, there's a dropdown menu set to 'Featured'. The main area displays a grid of products. One specific filter, 'Hide No Product', is highlighted with a red box. The products shown include: 'Cosmetic Cream Container' (\$750.00), 'Warranty' (\$20.00), 'Three-Seat Sofa' (\$1,500.00), 'Large Meeting Table' (\$4,000.00), 'Cosmetic Cream Container' (pink background), 'Cosmetic Cream Container' (green background), 'Nail Polish Remover Mockup' (blue background), and 'Cosmetic Cream Container' (green background).

Product Count

Theme Alan provides you product count feature in which you can see the number of product count attributes wise in the filter section. You can activate this feature from customized options.

Similar Product

Theme Alan comes with similar product functionality by which users can see similar products of any particular product.

Let's see steps to configure similar products

Step 1 : Go to any product form view in admin.

Step 2 : In product form view click on Sales tab.

Step 3 : Now add the product in Alternative Products fields

Step 4 : Go to the shop page and switch on similar products from the customize option.

Step 5 : Click on a similar view icon on any product.

The screenshot shows the Odoo product form view for a 'Customizable Desk'. The top navigation bar has a purple background with tabs: Website, Dashboard, Orders, Products (highlighted with a red box), FAQs, Blogs, Visitors, Reporting, and Configuration. On the right, there are user icons and the text 'Mitchell Admin (db15_amit)'. Below the navigation, the page title is 'Products / Customizable Desk' with 'Save' and 'Discard' buttons. The main content area shows product details: 'Product Name' (Customizable Desk), 'Extra Price' (1), 'Go to Website' button, 'Variants' (6), and 'Units Sold' (6.00). A green circular image of the product is displayed. Below this, there are tabs: General Information, Attributes & Variants, Sales (highlighted with a red box), Product Tabs, Purchase, Labels, and Product Tags. The 'Sales' tab is active. The 'Alternative Products' section (also highlighted with a red box) lists several products suggested for cross-selling: [FURN_6666] Acoustic Bloc Scr..., [E-COM11] Cabinet with Doors, Conference Chair, [FURN_1118] Corner Desk Left Sit, [E-COM06] Corner Desk Right Sit, Deposit, [FURN_7888] Desk Stand with S..., [FURN_8855] Drawer, [FURN_9001] Flipover, [FURN_7800] Desk Combination, [FURN_8900] Drawer Black, and [FURN_8220] Four Person Desk. To the right, there are sections for 'eCommerce Shop': Website (dropdown), Website Sequence (9,950), Categories (Desks), and Ribbon (dropdown). At the bottom, there is an 'Extra Product Media' section with an 'Add a Media' button.

Product Rating

Theme Alan comes with a product rating switch on the shop page by which you can show the product rating on the shop page.

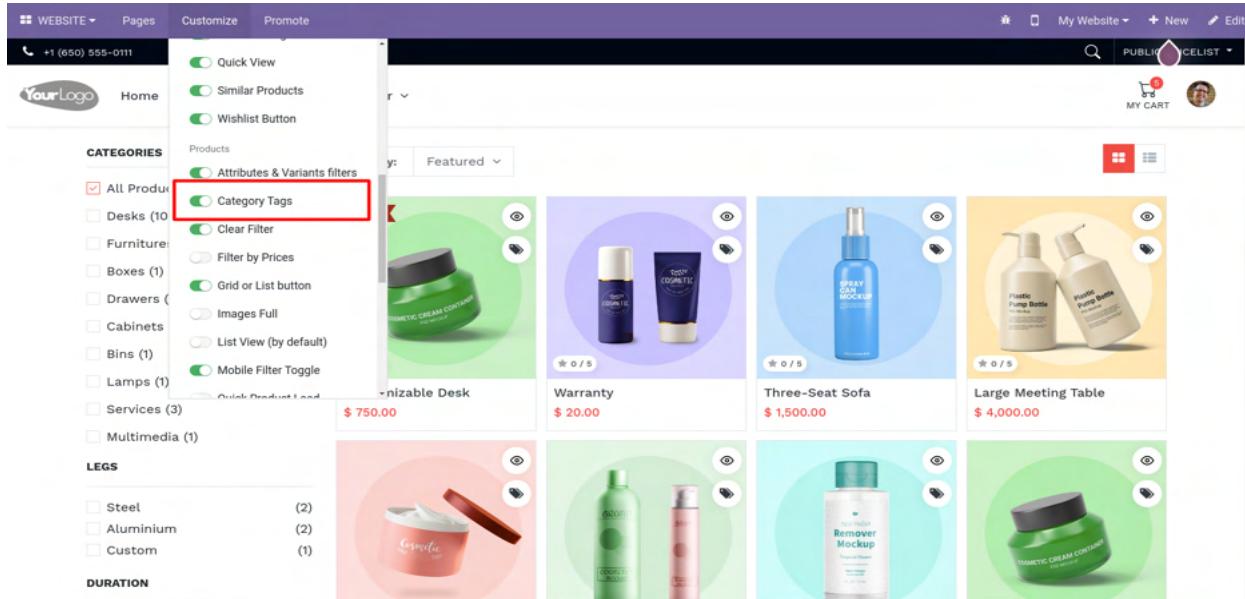

The screenshot shows the Theme Alan admin interface. On the left, there's a sidebar with various settings like 'WEBSITE', 'Pages', 'Customize', and 'Promote'. Under 'Customize', there's a 'Product item' section with several options: 'Add to Cart', 'Comparison List', 'Product Description', 'Product Label', and 'Product Rating'. The 'Product Rating' option is highlighted with a red box. Below this are other options like 'Products Tags', 'Quick View', 'Similar Products', and 'Wishlist Button'. Further down are sections for 'DURATION', 'TAGS', and 'Brand'. At the bottom of the sidebar, there's a 'RATING' section with filters for '★★★★★ & Up', '★★★☆☆ & Up', and '★★☆☆☆ & Up', all of which have a count of '(0)'.

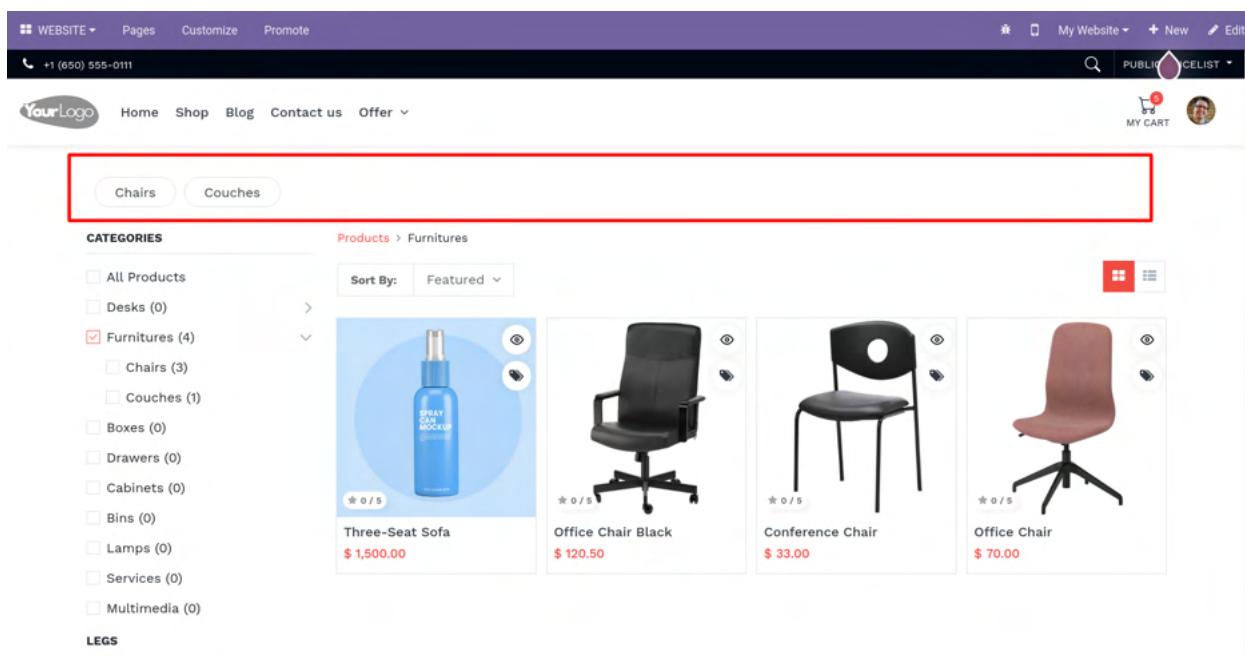

The screenshot shows the Theme Alan shop page. The top navigation bar includes 'WEBSITE', 'Pages', 'Customize', 'Promote', 'My Website', 'New', 'Edit', a phone number '+1 (650) 555-0111', a search bar, a public collection dropdown, a cart icon with a red notification, and a user profile. The main content area features a grid of products. Each product card includes a circular rating icon. The first product, 'Customizable Desk', has a rating of '★★★★★ & Up' with a count of '(1)', which is also highlighted with a red box. Other products shown include 'Warranty', 'Three-Seat Sofa', 'Large Meeting Table', and various cosmetic items like 'Cosmetic Cream Container' and 'Cosmetic Remover Mockup'. Each product card also includes its name, a small image, a price, and a 'View Details' button.

Bubble Category Tags

Theme Alan comes with a category tag which helps the user to display sub categories of selected categories at the top of page. You can activate or inactive this feature from the customize option at the shop page.

The screenshot shows the Theme Alan admin panel under the 'Customize' tab. In the left sidebar, under 'Products', the 'Category Tags' option is highlighted with a red box. Other options like 'Quick View', 'Similar Products', and 'Wishlist Button' are also listed. The main content area displays a grid of products with colorful circular overlays (green, purple, blue, yellow) and sub-category names like 'Spray Can Mockup', 'Cosmetic', 'Plastic Pump Bottle', etc., overlaid on them.

The screenshot shows the Theme Alan frontend for the 'Furnitures' category. At the top, there are two bubble category tags: 'Chairs' and 'Couches', both highlighted with a red box. The left sidebar shows a hierarchical menu with 'Furnitures' selected. The main content area displays a grid of furniture items: 'Three-Seat Sofa' (\$1,500.00), 'Office Chair Black' (\$120.50), 'Conference Chair' (\$33.00), and 'Office Chair' (\$70.00). Each item has a small circular overlay with its name.

Dynamic Clear Filter

Theme Alan comes with a dynamic clear filter which helps users to clear all applied filters on the shop page. By default this option is active and you can inactive this from customize options.

The screenshot shows the Theme Alan admin panel. On the left, there's a sidebar with sections like 'WEBSITE', 'Pages', 'Customize', and 'Promote'. Under 'Customize', there's a 'Your Logo' section and a 'Categories' section. In the 'Categories' section, there's a checkbox for 'All Products' and several other categories like 'Desks', 'Furniture', etc. A red box highlights the 'Clear Filter' button under the 'Attributes & Variants filters' section. To the right, there's a preview of the shop page displaying various products with their prices and ratings.

The screenshot shows the Theme Alan shop page. On the left, there's a sidebar with sections like 'WEBSITE', 'Pages', 'Customize', and 'Promote'. Under 'Customize', there's a 'Your Logo' section and a 'Categories' section. In the 'Categories' section, there's a checkbox for 'All Products' and several other categories like 'Desks', 'Furniture', etc. A red arrow points to the 'CLEAR ALL FILTER' button at the bottom of the sidebar. The main area displays a product grid with items like 'Customizable Desk', 'Warranty', 'Three-Seat Sofa', and 'Large Meeting Table'. At the bottom of the sidebar, there are filter buttons for 'Steel', 'Latest', 'Alan', and 'Rating'.

Quick Load Product

Theme Alan comes with a quick load product which helps users to get the next page product without reloading the page. You can on or off this feature as per your requirement from customize options.

The screenshot shows the Theme Alan dashboard interface. On the left, there's a sidebar with sections for 'WEBSITE ▾ Pages', 'Customize', 'Promote', 'Your Logo', 'Home', 'CATEGORIES', 'LEGS', and 'DURATION'. Under 'CATEGORIES', 'All Products' is checked. Under 'LEGS', 'Steel' and 'Aluminium' are listed with '(2)'. Under 'DURATION', 'Custom' is listed with '(1)'. In the center, there's a 'Quick Product Load' section with a red box around it, containing options like 'Images Full', 'List View (by default)', 'Mobile Filter Toggle', and 'Quick Product Load' (which is selected). Below this is a search bar with 'y: Featured ▾'. To the right, there's a product grid with four items: 'Adjustable Desk' (\$750.00), 'Warranty' (\$20.00), 'Three-Seat Sofa' (\$1,500.00), and 'Large Meeting Table' (\$4,000.00). At the top right, there are icons for 'My Website ▾', 'New', 'Edit', a search bar, a cart icon with '5' items, and a user profile. A red arrow points to the 'Quick Product Load' option in the sidebar.

Product Tabs

Theme Alan comes with product tabs functionality in which you can add multiple tabs on the product detail page. To add the product tab you need to configure the tab from admin side in product form view.

Let's see steps to configure products tabs.

Step 1 : Go to any product form view in admin.

Step 2 : In product form view click on product tabs.

Step 3 : Now create the tabs for that particular product.

Step 4 : Go to the product detail page and check your tabs.

The screenshot shows the Odoo Theme Alan interface for managing products. At the top, there is a purple navigation bar with links for Website, Dashboard, Orders, Products, FAQs, Blogs, Visitors, Reporting, and Configuration. On the far right, there is a user profile for 'Mitchell Admin (db15_amit)' with a small photo, a notification icon with '5', a comment icon with '2', and a gear icon.

The main content area has a title 'Products / Customizable Desk'. Below it are two buttons: 'Save' and 'Discard'. On the right, there is a page number '1/1' and navigation arrows.

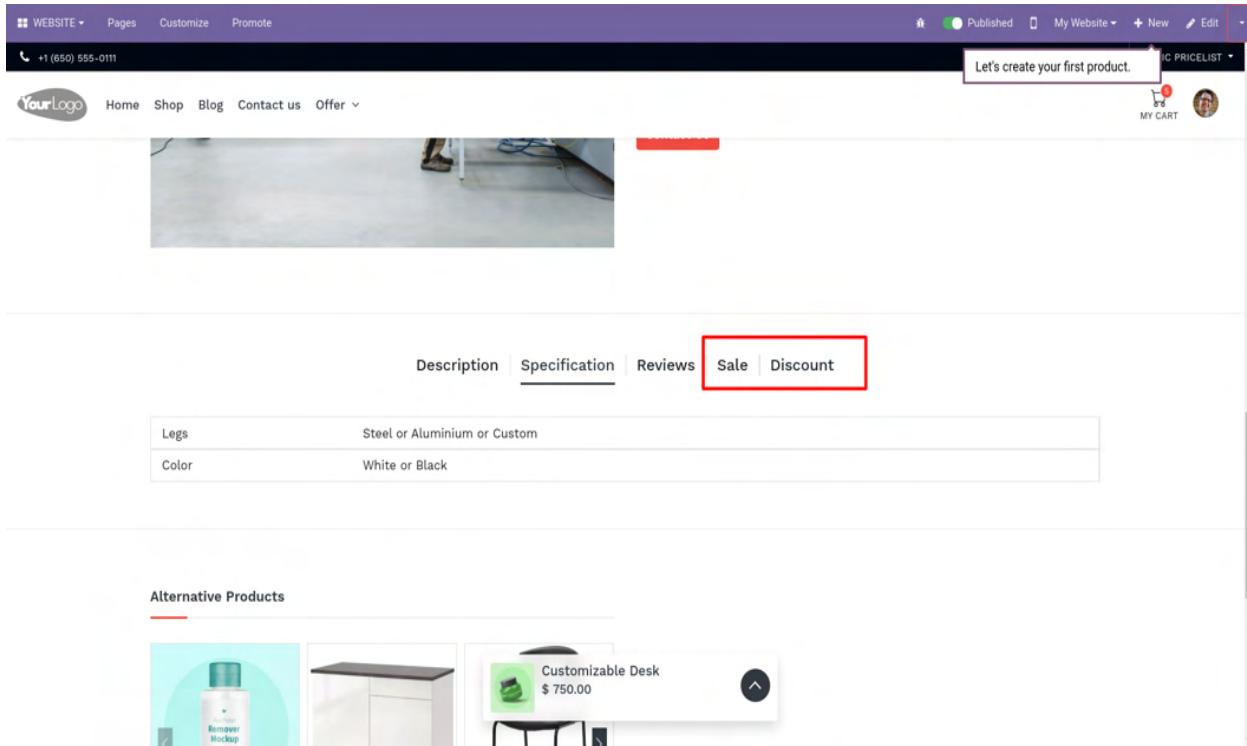

Underneath the title, there is a 'Print Labels' button. To the right of the title, there are four quick access icons: '1 Extra Price', 'Go to Website', '6 Variants', and '6.00 Units Sold'.

The product details section includes a 'Product Name' field containing 'Customizable Desk' with a star icon, and a dropdown menu showing 'Alan'. There are also checkboxes for 'Can be Sold' and 'Can be Purchased'. To the right of the name is a green circular thumbnail of the product image.

Below the product details, there is a navigation bar with tabs: General Information, Attributes & Variants, Sales, **Product Tabs**, Purchase, Labels, and Product Tags. The 'Product Tabs' tab is highlighted with a red border.

Under the tabs, there is a section titled 'Add' with two input fields: 'Sale' and 'Discount'. This entire 'Add' section is also enclosed in a red border.

At the bottom of the screen, there are social sharing options: 'Send message', 'Log note', 'Schedule activity', a notification count '0', a 'Follow' button, and a user count '1'. A timestamp 'Yesterday' is also present at the bottom center.

Accessory & Alternative Product Sliders

Theme Alan provides you custom alternative and accessory product sliders. You can configure accessory and alternative products from the admin section and you can on or off any of these sliders from the customize option on product detail page.

Let's see steps to configure accessory and alternative slider

Step 1 : Go to any product form view in admin.

Step 2 : In product form view click on sale.

Step 3 : Now add the product in accessory and alternative product fields

Step 4 : Go to the product detail page and check your tabs.

Ergonomic:
Press a button and watch your desk glide effortlessly from sitting to standing height in seconds.
The minimum height is 65 cm, and for standing work the maximum height position is 125 cm.

Locally handmade:
We pay special attention to detail, which is why our desks are of a superior quality.

The screenshot shows a website builder interface with a purple header bar. The top left has 'WEBSITE ▾ Pages Customize Promote'. The top right has 'Published' status, 'My Website ▾', 'New', 'Edit', and a search bar. Below the header is a black navigation bar with a phone icon '+1 (650) 555-0111', a logo placeholder 'YourLogo', and menu items 'Home Shop Blog Contact us Offer ▾'. On the far right is a shopping cart icon with '1' and 'MY CART'.

The main content area displays two sections: 'Alternative Products' and 'Accessory Products'. Under 'Alternative Products', there are three items: 'Acoustic Bloc Screens' (a bottle), 'Cabinet with Doors' (a white cabinet), and 'Conference Chair' (a black chair). Under 'Accessory Products', there are three items: 'Customizable Desk' (a desk), 'Customizable Desk' (a green jar), and 'Customizable Desk' (another green jar).

Below this, a dark-themed sidebar for 'ALAN' shows user information ('ALAN'), quick links ('Information', 'Quick links', 'Categories', 'My Account'), and categories ('Appliances', 'Computers & Laptops', 'Cameras', 'Mobile Phones'). A modal window is open showing a product detail for a 'Customizable Desk'.

Product Image Gallery

Theme Alan comes with a product image gallery feature in which you can see product images in a more stylish way. You can turn on or off this feature from the customize option on the product detail page.

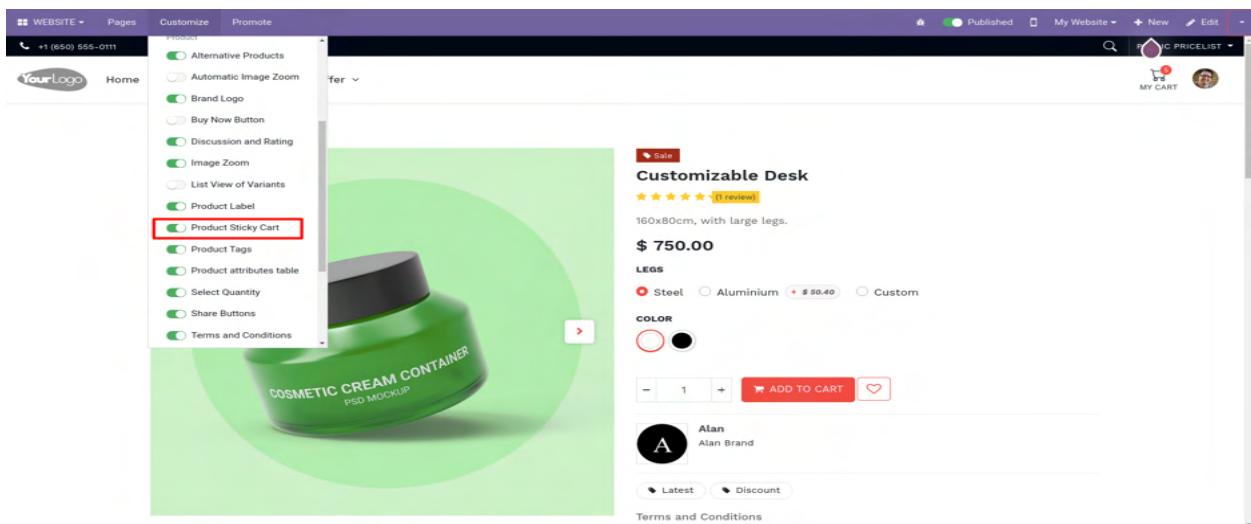

This screenshot shows the Atharva System's customization interface for a product detail page. On the left, a sidebar lists various customization options with checkboxes. One option, 'Product Image Gallery', is highlighted with a red box. Other listed options include 'List View of Variants', 'Product Label', 'Product Sticky Cart', 'Product Tags', 'Product attributes table', 'Select Quantity', 'Share Buttons', 'Terms and Conditions', 'Wishlist Button', 'Shop Product Carousel', and 'Track Visitor'.

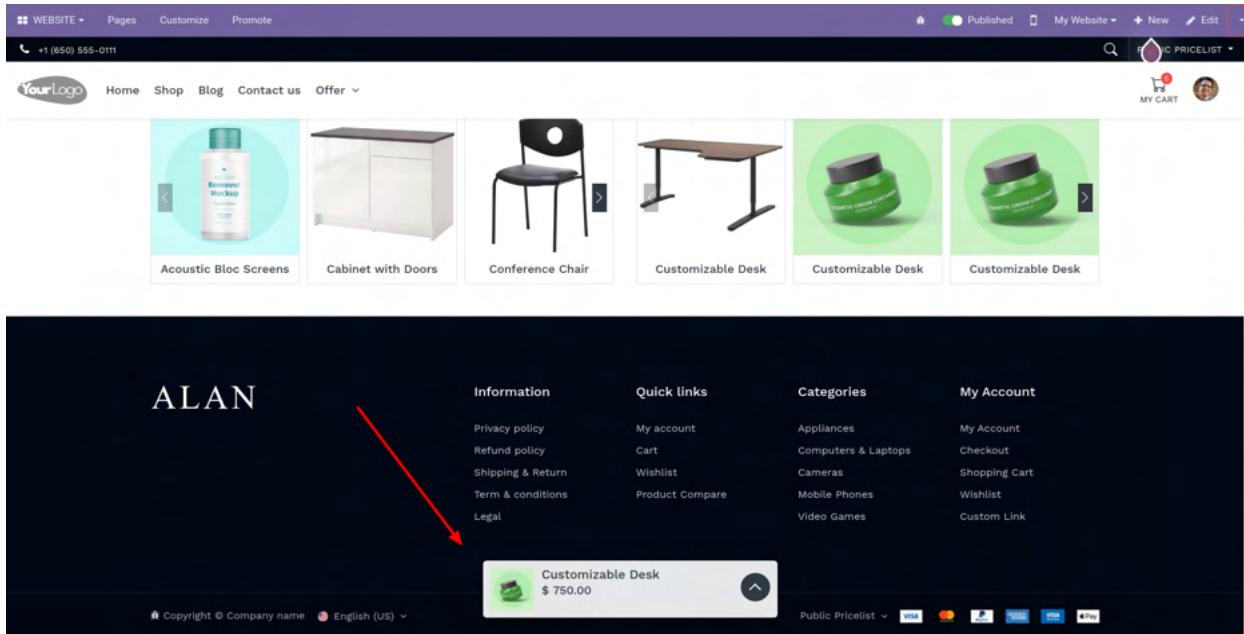

The main content area shows a product detail page for a 'Customizable Desk'. The product image is a green jar labeled 'COSMETIC CREAM CONTAINER PSD MOCKUP'. The page includes a 'Sale' badge, a rating of 5 stars, a price of '\$ 750.00', a 'LEGS' section with 'Steel' selected, a 'COLOR' section with 'Red' selected, a quantity selector set to '1', an 'ADD TO CART' button, and a 'Wishlist' button. At the bottom, there's a 'Latest' and 'Discount' section, and a footer note about terms and conditions.

Product Sticky Cart

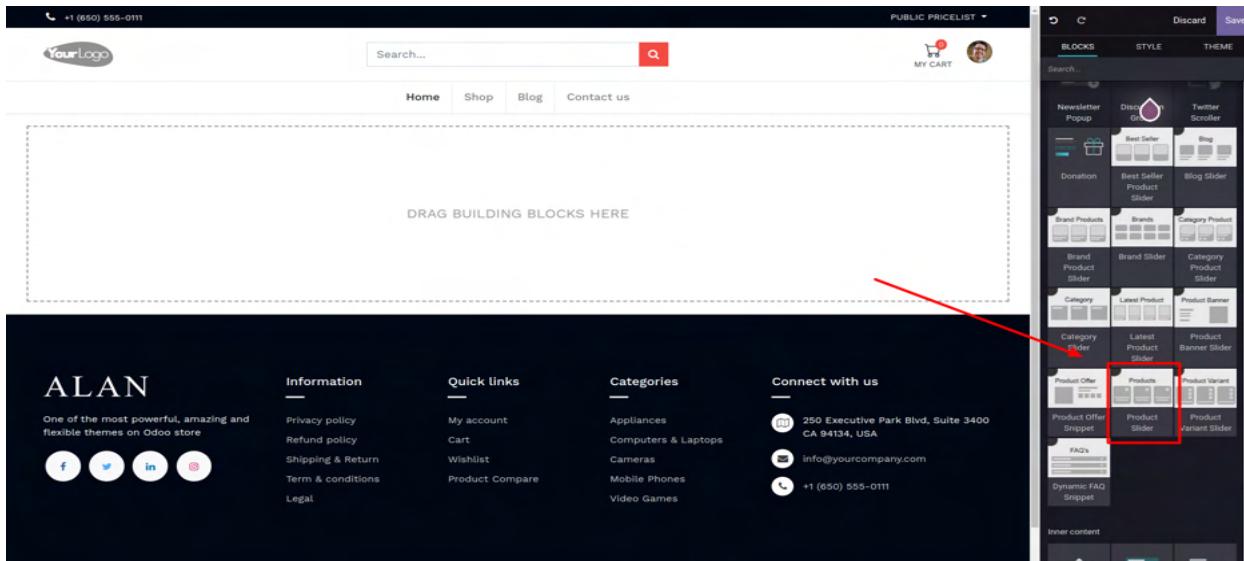

Theme Alan provides you product sticky cart functionality which is very useful on product detail page when it turns on then on scrolling down the sticky cart will appear that helps user to add the product in cart and if product have the variant then on click it will take to you at top. You can turn on or off this feature from the customize option on the product detail page.

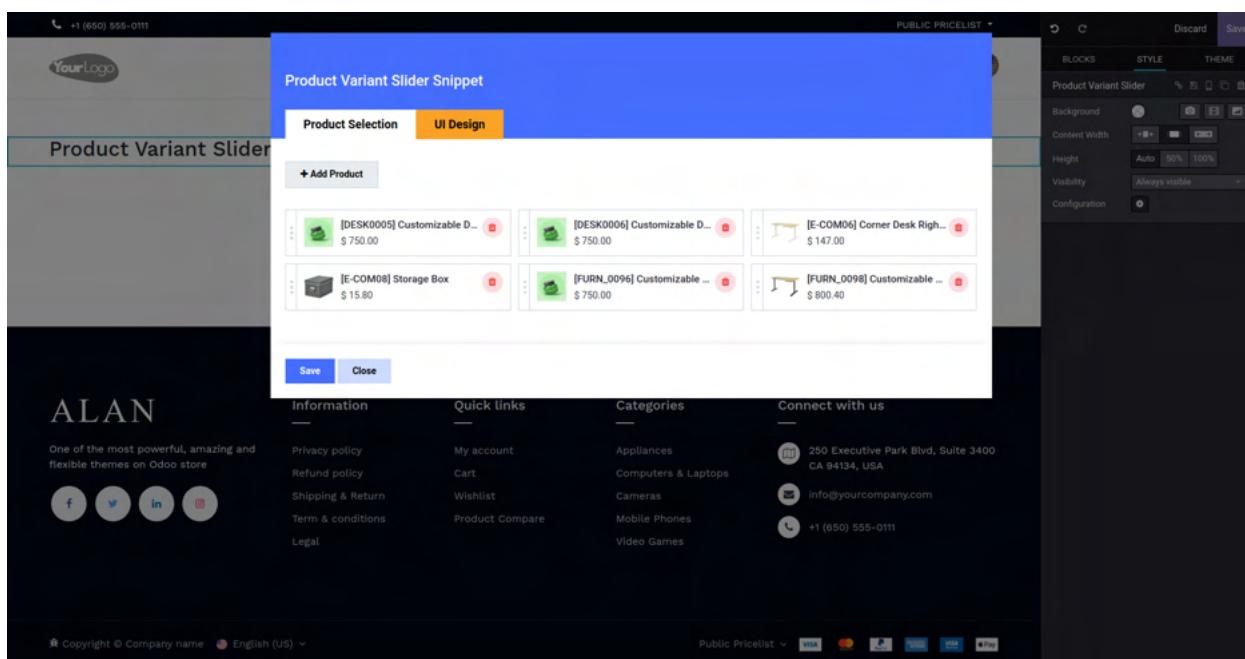

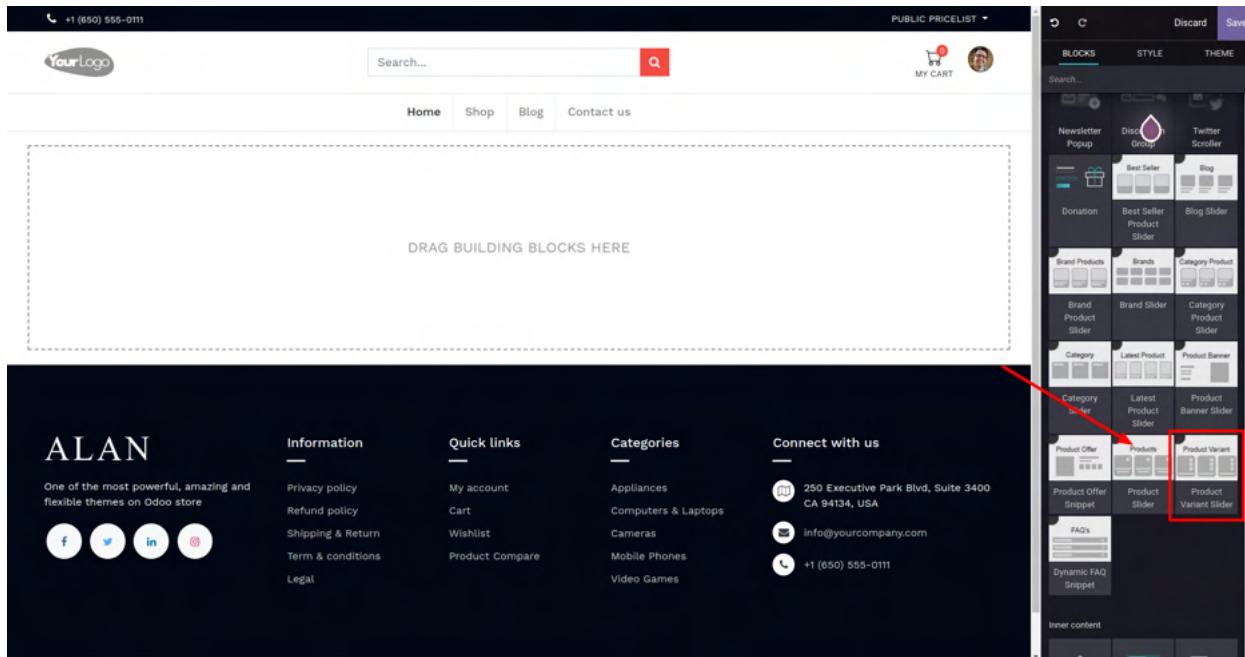

Product Slider & Grid Snippet

Theme Alan comes with a product slider & grid snippet in which you can configure the product slider and product grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

Product Variant Slider & Grid Snippet

Theme Alan comes with a product variant slider & grid snippet in which you can configure the product variant slider and product variant grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

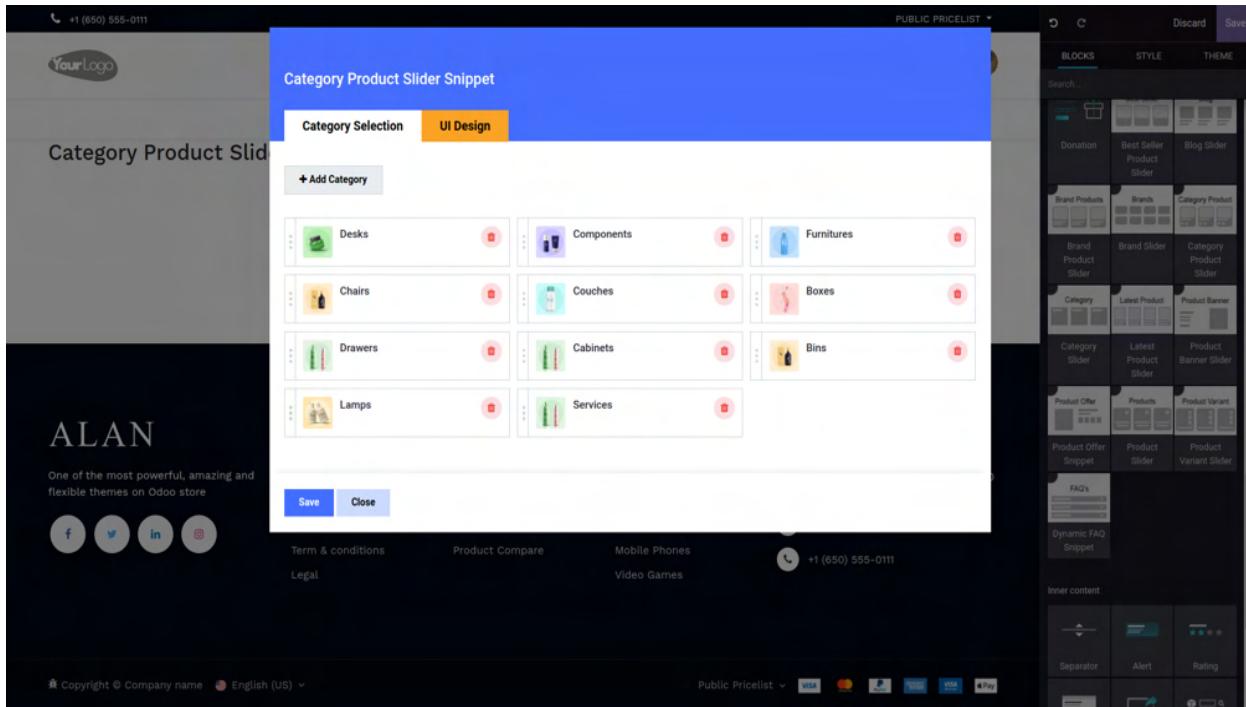

The screenshot shows the Odoo website builder interface with a purple header bar. The main content area displays a "Product Variant Slider" component. It features a grid of six items, each with a small image, a title, a price, and an "ADD TO CART" button. The items include various desk models and a storage box. Below the slider, there's a dark footer section with the brand name "ALAN" and some navigation links.

Category Product Slider & Grid Snippet

Theme Alan comes with a category product slider & grid snippet in which you can configure the category product slider and category product grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

The screenshot shows the Odoo website builder interface with a dark theme. A red arrow points from the sidebar to a "Category Product Slider" block, which is highlighted with a red border. The sidebar also lists other building blocks like "Best Seller Product Slider", "Brand Product Slider", and "Category Banner". The main content area has a placeholder "DRAG BUILDING BLOCKS HERE". Below the editor, there's a dark footer section with the brand name "ALAN" and some navigation links.

Brand Product Slider & Grid Snippet

Theme Alan comes with a brand product slider & grid snippet in which you can configure the brand product slider and brand product grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

The screenshot shows the Odoo website builder interface with a purple header bar. The top left has 'WEBSITE ▾ Pages Customize Promote'. The top right includes 'Published' (green), 'My Website ▾', 'New', and 'Edit' buttons. A phone icon with '+1 (650) 555-0111' is on the left, and a search bar with a magnifying glass icon is in the center. On the right is a shopping cart icon with 'MY CART' and a user profile picture.

The main content area features a 'Product Variant Slider' component. It displays six items in a grid:

- [DESK0005] Customizable Desk (Custom, White) - \$750.00
- [DESK0006] Customizable Desk (Custom, Black) - \$750.00
- [E-COM06] Corner Desk Right Sit - \$147.00
- [E-COM08] Storage Box - \$15.80
- [FURN_0096] Customizable Desk (Steel, White) - \$750.00
- [FURN_0098] Customizable Desk (Aluminium, White) - \$800.40

Each item has a small image, a star rating (0/5), a red heart icon, and an 'ADD TO CART' button.

The footer of the page shows the theme name 'ALAN' and various links like 'Information', 'Quick links', 'Categories', and 'Connect with us'.

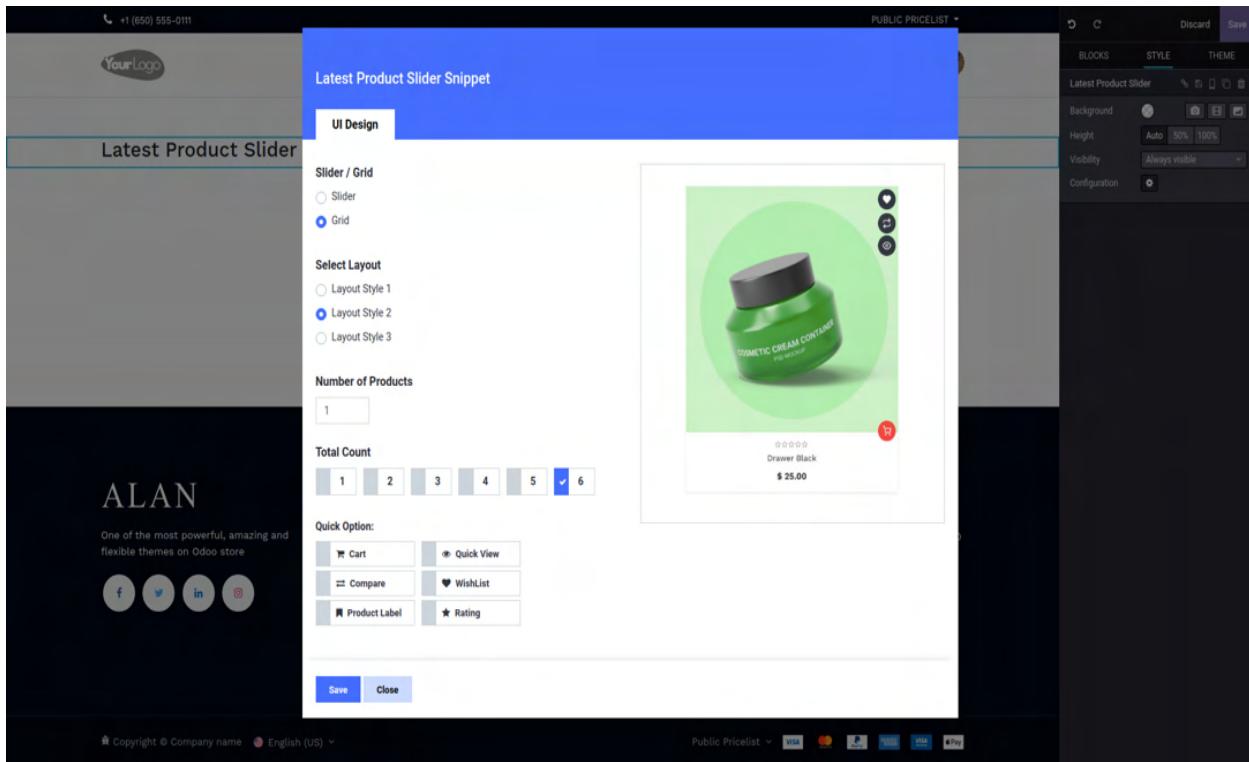

Latest Product Slider & Grid Snippet

Theme Alan comes with a latest product slider & grid snippet in which you can configure the latest product slider and latest product grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

This screenshot shows the Odoo website builder interface with a dark theme. The top bar includes a phone icon with '+1 (650) 555-0111', a search bar, and a shopping cart icon with 'MY CART'.

The main content area features a 'Latest Product Slider' component. To its right is a sidebar titled 'BLOCKS' containing various snippet options like 'Popop', 'Group', 'Scroller', 'Category Slider', 'Latest Product Slider', etc. A red arrow points from the sidebar to the 'Latest Product Slider' option, indicating it is selected.

The footer of the page shows the theme name 'ALAN' and various links like 'Information', 'Quick links', 'Categories', and 'Connect with us'.

The screenshot shows the live preview of the configured product slider on a website. The slider displays six items in a grid layout:

- Warranty (4 stars, \$20.00)
- Three-Seat Sofa (5 stars, \$1,500.00)
- Large Meeting Table (4 stars, \$4,000.00)
- Four Person Desk (4 stars, \$2,350.00)
- Drawer (5 stars, \$110.50)
- Acoustic Bloc Screens (4 stars, \$295.00)

Below the slider, there are two rows of products:

- Individual Workplace (4 stars, \$885.00)
- Desk Stand with Screen (5 stars, \$2,100.00)
- Drawer Black (5 stars, \$25.00)
- Corner Desk Left Sit (4 stars, \$85.00)
- Office Chair Black (4 stars, \$120.50)
- Conference Chair (4 stars, \$33.00)

At the bottom of the page is a black footer bar with a 'COMPARE' button.

Best Product Slider & Grid Snippet

Theme Alan comes with a best product slider & grid snippet in which you can configure the best product slider and best product grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

The screenshot shows the Odoo theme configuration interface. On the right, there is a sidebar titled 'BLOCKS' containing various snippet options. One option, 'Best Seller Product Slider', is highlighted with a red box. The main area shows a preview of the website with a placeholder text 'DRAG BUILDING BLOCKS HERE' inside a dashed box. At the bottom, there is a footer with copyright information and payment method icons.

The screenshot shows the configuration dialog for the 'Best Seller Product Slider Snippet'. The title bar says 'Best Seller Product Slider Snippet' and 'UI Design'. The left side has several configuration sections: 'Slider / Grid' (Slider selected), 'Select Layout' (Layout Style 1 selected), 'Number of Products' (12), 'Slider Options' (Auto Slider selected), 'Slider Time (Seconds)' (set to 5), 'Total Count' (set to 6), and 'Quick Option' (checkboxes for Cart, Quick View, Compare, Wishlist, Product Label, Rating, and Infinity Slider). The right side shows a preview of a product slider with a green jar of cosmetic cream. At the bottom are 'Save' and 'Close' buttons.

The screenshot shows a website builder interface with a purple header bar. The top left has icons for 'WEBSITE', 'Pages', 'Customize', and 'Promote'. The top right includes 'Published' status, 'My Website', 'New', and 'Edit' buttons. A phone icon with '+1 (650) 555-0111' is on the left, and a user profile icon is on the right. Below the header is a search bar with a magnifying glass icon and a 'MY CART' button with a red notification badge.

The main content area features a 'Home' menu with 'Shop', 'Blog', and 'Contact us' options. Below this is a grid of six product cards:

- Office Chair Black**: \$120.50. Includes an 'ADD TO CART' button.
- Acoustic Bloc Screens**: \$295.00. Includes an 'ADD TO CART' button.
- Office Lamp**: \$40.00. Includes an 'ADD TO CART' button.
- Customizable Desk**: \$750.00. Includes an 'ADD TO CART' button.
- Drawer**: \$110.50. Includes an 'ADD TO CART' button.
- Large Desk**: \$1,799.00. Includes an 'ADD TO CART' button.

Each product card has a small heart icon and a rating of '★ 0 / 5'.

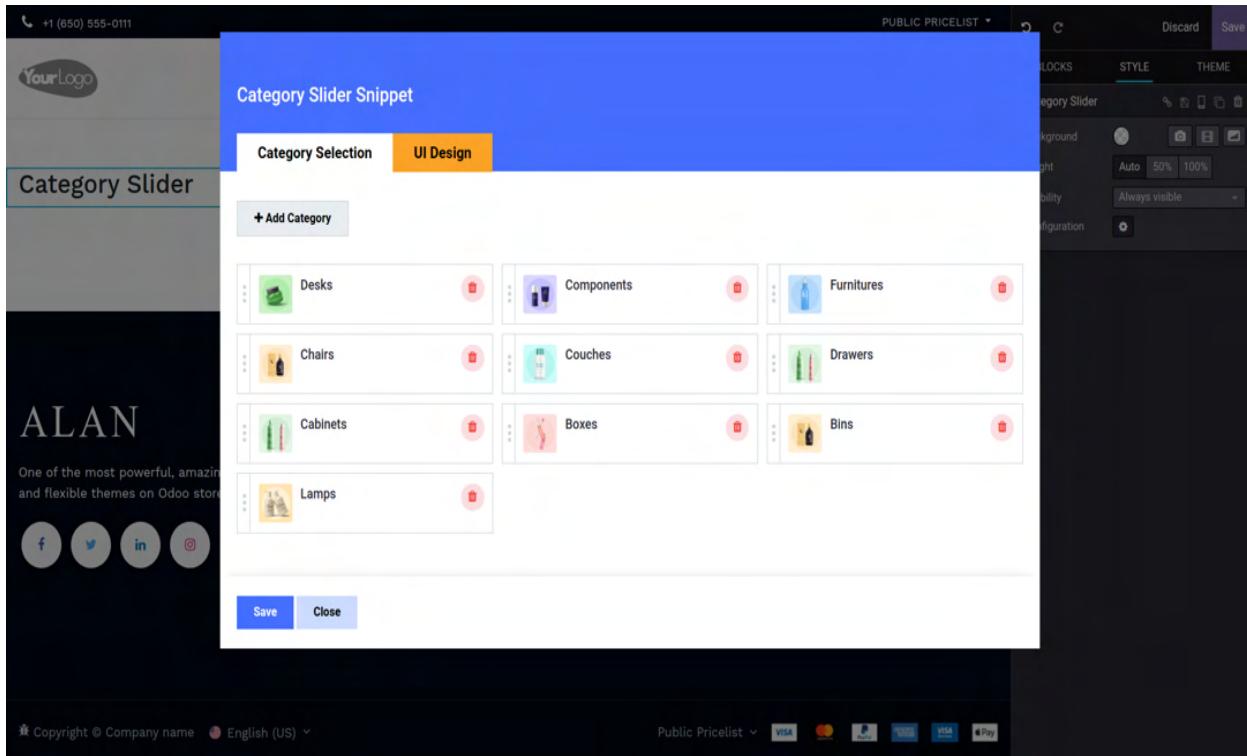

Category Slider & Grid Snippet

Theme Alan comes with a category slider & grid snippet in which you can configure the category slider and category grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement

The screenshot shows the ALAN theme website with a dark header. The top left has a phone icon with '+1 (650) 555-0111' and a 'YourLogo' placeholder. The top right has a search bar, a 'MY CART' button with a red notification badge, and a user profile icon. Below the header is a navigation bar with 'Home', 'Shop', 'Blog', and 'Contact us'.

The main content area features a 'Category Slider' snippet. On the right side, a sidebar titled 'BLOCKS' shows various snippet options with preview thumbnails. A red arrow points to the 'Category Slider' option in the sidebar.

The footer of the website includes social media links (Facebook, Twitter, LinkedIn, Email), copyright information ('One of the most powerful, amazing and flexible themes on Odoo store'), and a language selector ('English (US)').

Brand Slider & Grid Snippet

Theme Alan comes with a brand slider & grid snippet in which you can configure the brand slider and brand grid with different user interfaces. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

The screenshot shows the Odoo theme configuration interface. On the left, there's a preview of the website with a placeholder text 'DRAG BUILDING BLOCKS HERE'. On the right, a sidebar lists various snippets categorized into grids. A red box highlights the 'Brand Slider' snippet, and a purple circle highlights the 'Best Seller Product Slider' snippet. The 'Brand Slider' snippet is selected, indicated by a red border around its grid cell.

The screenshot shows the 'Brand Slider Snippet' configuration dialog. It has tabs for 'Brand Selection' (selected) and 'UI Design'. Under 'Brand Selection', four brands are listed: Alan, Nike, Reebok, and Puma. Each brand has a small thumbnail and a trash icon. At the bottom are 'Save' and 'Close' buttons. The background shows a preview of the website with the 'Brand Slider' snippet integrated into the footer area. The right side of the screen shows the same theme configuration sidebar as the previous screenshot.

Alan Snippet Builder

Theme Alan comes with alan snippet builder in which you don't require technical knowledge as you can create your web pages in a few clicks only. To add this snippet in your website you need to click on the edit button and drag and drop that snippet into your website and configure it as per your requirement.

The screenshot shows the Odoo website builder's interface with a focus on the Alan Snippet Builder feature. On the left, there is a dashed box labeled "DRAG BUILDING BLOCKS HERE". On the right, a sidebar titled "BLOCKS" lists various building blocks with small preview icons. An arrow points from the "Alan Snippet Builder" block, which is highlighted with a red border, towards the dashed box on the left.

Below the interface, a preview of the website is shown with the following structure:

- ALAN** (Logo)
